Dry Grad 2027
Parent Information Letter

We are reaching out to all our 2027 Grad Parents and Guardians for help. We are really struggling this year with getting help fundraising for our Dry Grad in June 2027.

To give you an idea of what we need to raise, the bare minimum is $27,000.00 and this is the very basic package and buses to get to the venue, to get all the extra activities to keep our grads busy until the very end of the evening, amazing prizes, scholarships and other fun stuff, we would require another $30-35,000.00
for a total of $67-72,0000!!!!

Sounds like a lot?! But it's doable with everyone's help.

Ways to Help

- Come to the meetings to stay informed.
- Volunteer your time to help run a fundraiser.
- Ask your dentist, hairdresser, physio, work, etc for a donation
  we have donation letters we can give you for this
- Put the fundraisers out on your social and to your family and friends.
- Don't have time to help or the desire to fundraise, we have some parents donating money instead, if you would like to do this contact
