A Message from our Principal

Hello Dragon Community,

Thank you for reading! It has been a busy Fall at Fleetwood Park,and we are winding down Term 1 with report cards being published on Friday.

There is always so much to be proud of here with student excelling in many areas. One of our clubs along with teachers Lisa Singer and Antew Dejene, have applied for our school to be a UNESCO school. Being a Canadian UNESCO school means belonging to a global network committed to advancing peace, sustainability, human rights, and Indigenous reconciliation through innovative teaching and student-led projects. Much of this work is happening every day, so it is exciting to share our school's work on another platform.

Coming up next week, we have the Dragon Tales Theatre Company's performance of "Clue On Stage" Nov. 30 - Dec. 9. Doors open at 5:30 and tickets are available at the door or through a theatre or stagecraft student. The Band has their Winter Concert on December 3rd at the Bell Centre for Perfoming Arts, and the Winter Dance Showcase on December 10th at Fleetwood. These are wonderful opportunities for students to show thier many talents and we love to see a big audience - I hope to see you there!

Our Athletics Department has seen many successes this Fall season. Please see the updates on page 20. Congrats to our Senior Boys Soccer who are travelling to Provincials this week after winning the South Fraser banner! **Congrats also to the Cross Country and Swim Teams for making provincials this month.**

We had a wonderful Remembrerance Day assembly that many staff and students contributed to. There were speeches from students, dance and band performances, and story telling of local and familial ties to war. It was an inclusive and impactful morning.

The addition for the school is continuing to move forward, having gone to tender this Fall and work should be starting soon. We are still anticipating a January 2029 opening of the 800-seat, 4 story addition.

Safety is always a priority in such a big and busy school. I know the recent events have created many concerns for parents and students. Since September, we have received many PSST (Protecting Surrey Schools Together) reports - it is good to know that students are parents are actively using this reporting tool (www.psst-bc.ca/). If you ever have any questions about our processes and safety measures, please reach out to any of the administration team.

Please remember that our parking lots are not available for drop-off and pick-up. At times, parents are parked in parkig spots and then a staff member coming to work has nowhere to park. Please only use the loop off 80th avenue - or even better please drop your students off a few blocks away and have them walk. This will improve road safety and traffic flow.

Thank you for being a part of the Dragon community.

Jodie Perry, Principal

Important School Information

School Fee Collection

Please find a current school fee schedule on page 16 of this newsletter. **Please note that school fees are now to be paid online**. We would appreciate your attention to this responsibility as soon as possible.
If unable to pay online, we respectfully request pay-ments come directly to the office:

- **One cheque for general fees** – student activity fee,

And

- **Separate cheques** where appropriate **for individual course enhancement costs**

Please be aware that these costs are assigned on a cost-recovery basis only and are for enhancement materials for personal use and/or consumables.
If your family will have difficulty paying these school fees/costs, please contact your child's Vice Principal.

Student Debts $$$

Students will be assessed a cost for lost or damaged School property (books, lockers, sport jerseys, etc). Charges are based on the replacement cost of the item. Students must return the same textbook to Receive credit, so avoid lending textbooks and label your text with your full name and student number.

Report Cards

Please note we do not mail report cards. Report cards are now issued online in the MyEdBC Portal.
Please see instructions in this newsletter or our website "Family Instructions MyEd BC Portal".

Absences and Lates

Students are expected to be at school and in class on time. It is the student's responsibility to be punctual for all classes.

- **ABSENT *or* LATE:**
  Parents/Guardians are asked to phone the school by 7:45am **and** send a note for each teacher.
- **SIGN-IN:**
  Students are required to sign-in at the office if they have a note from parents/guardians or they have phoned in.
- **SIGN-OUT:**
  Students are required to report to the office with a note or have a parent phone in if they leave the building for appointments, etc. **Students are not to leave the school premises during their assigned class time without first notifying the office. To do so is truancy.**

Vacations During School Time

Students away on extended vacations **(5 or more days)** during school time must complete an "Extended Absence Form", available in the office, before departure. The school is not in a position to grant permission to any students to miss school for an extended holiday period, and it is important to be aware of the possible learning challenges that will occur with extended absences.

Important School Information *(continued)*

Important Notice Re: Medical Alerts

A Medical Alert condition is defined as a physician diagnosed, potentially life-threatening condition such as:

* Diabetes
* Epilepsy
* Severe asthma
* Serious Heart Conditions
* Blood clotting disorders
* Anaphylaxis (history of severe allergic response)

Parents/Guardians are responsible to complete the Medical Alert Form. Parents/Guardians should update all information each September. These forms will be kept in student files, on a master list in the office, as well as be provided to staff members who workwith these students. In emergency situations, a Parent/Guardian (or the emergency contact) shall be contacted and the student taken to a hospital/medical clinic. Forms

Student Parking

As there is no student parking at FPSS, students are required to find appropriate street parking. Students parking in visitor or staff parking or parked illegally, may result in the student's car being towed at the owners' expense. Unsafe driving practices will result in parent notification and a request not to allow the student to drive to school.

Learning Conferences

Next Learning Conferences will be held on **March 11, 2027** for parents/guardians and students to meet with their teachers each semester. Please watch for an announcement on our website or email for information on how to book your appointments. All appointments are booked online.

P.A.C. (Parent Advisory Committee)

The Parent Advisory Committee (PAC) is a great way to stay connected to the school in the secondary years! Parents can bring up issues of concern and we work as a community to discuss and come up with possible solutions. These meetings also keep you informed on the current events at the school. Thank you to our PAC executive who give their time and energy to the committee and the school! Please come to our monthly PAC meetings at 7pm in the Library.

PAC meeting dates for 2026-27 (@7pm in Library):

Nov. 30
Jan. 25
Feb. 22
Apr. 26
Jun. 14

Student Timetables/Schedules

An Important Notice for all Students

Timetables

- Student timetables are now accessed through the MyEdBC Family or Student Portal.
- It is important you log into MyEdBC at: **https://www.myeducation.gov.bc.ca/aspen/logon.do** and review your timetable prior to coming to school in September. You should already have your login and password to access the MyEdBC Portal.
- If you are unable to log into the portal, please contact the school as soon as possible (please email fleetwoodpark@surreyschools.ca).
- Also, please see " Family Instructions to MyEdBC Portal" on our website.

Note: Timetables are currently under review and subject to change.

News from the Counselling Department

Counsellors will be focused on the following:
*** Grade 12 timetable adjustments to ensure graduation status**
*** ELL and new student timetables**

If your timetable is incomplete, or if you are missing a graduation requirement, please email your counsellor with this information.

Attendance

Parent/Guardian Attendance Communication Guidelines

Contact the school office for attendance

The school office is the first point of contact for reporting any late arrivals or absences. You can notify using one of the following methods:

Phone: 604-597-2301
Email: fleetwoodpark@surreyschools.ca

*Please note the daily attendance reporting deadline to avoid a call/email is 3:00 PM.

How to Report an Absence or Late

When leaving a voicemail or sending an email, please clearly state the following information:

- The **student's full name**
- Either the **student ID** or **date of birth**

*When late, please have the student come check in at the office

Attendance Notifications

- Parents will receive **separate calls** for lates and absences.
- If you notice a discrepancy, please reply **to the email** with any corrections or concerns.

Checking Attendance Details

Parents can view attendance records through the **MyED Portal**. Below is a screenshot of where the information can be found. Please note **only unexcused** lates or absences will be reportedon the Parent Portal.

Extended Absences

For extended absences of **5 school days** or more (e.g., vacations or medical leave), please complete an Extended Absence form. The form can be found on the FP website under Forms.

How to Check My Child's Attendance

Click the 'Academics' tab at the top. Then click the 'Attendance' button on the side. You can choose the class to view your child's attendance.

School Website: www.surreyschools.ca/fltsec

Our school website has extensive information about the school, events, clubs and resources.

Email addresses for teachers: Please see the **'Staff Directory'** on the website home page under the first heading 'Our School' to find staff emails. As many teachers teach in multiple rooms and don't take calls during instruction, email is the best way to contact them.

The '**Dragons Newsletter**' contains school news and events, the principal's message and Surrey School District information. Newsletters are posted on the school website homepage and emailed to parents/guardians. Find previous newsletters under the heading 'News/School Communications'. These occur quarterly.

Fleetwood Park 'Dragons App'

Parents are encouraged to download the free Dragons App onto their cell phone and to select their student's grade group to receive grade specific messages and to stay up to date with what's happening in our school.

Parent/Guardian & Student Email

As the administration will send out information emails during the school year, please ensure that the school office has your current email addresses.

Learning Conferences

In November and March there are opportunities for parents/guardians to meet with their child's teachers at Learning Conferences. All appointments are booked online at the School Appointments. Watch for an email or post on our website with booking dates a few weeks before the date.

MyED BC Parent Portal

As your child progresses through secondary school, your involvement remains a key part of their success. We encourage all families to regularly check and familiarize themselves with the MyED Parent Portal. This portal is an essential tool for staying informed and engaged in your child's education.

Through the Parent Portal, you can:

- **View learning updates** - Monitor progress and celebrate achievements. February 11th will be the second Learning Update
- **Monitor your child's attendance records** - Know when your child is in class and address any concerns early.
- **Class schedules & teachers names** – Stay informed about your child's daily routine and the teachers name for when booking parent teacher meetings. November 5th is the first Parent Teacher Meetings.

If you haven't yet activated your account or are having trouble logging in, please email the school at **fleetwoodpark@surreyschools.ca**.

Once you have an active account you can refer to the following link on the Fleetwood Park Secondary Website: MyED Parent Portal Link & Instructions

Being engaged in your child's education helps build strong habits and supports their learning journey.

Thank you for your continued involvement.

Athletics Department

Welcome to Fleetwood Park Athletics!

Currently our Fall sports are finishing up for the 2026 season and slowly starting our Winter Sports as well! Fall sports include volleyball, boys' soccer, swimming, cross country, and ice hockey with 180 athletes participating. Thank you to all community coaches, teacher coaches, alumni and Grade 12's for all your help so far.

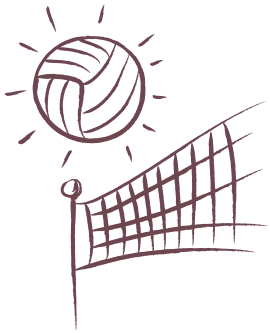
While the wins may not have come this season for our Grade 8 Girls, Junior Girls, and Junior Boys Volleyball teams, we are incredibly proud of their commitment, resilience, and positive attitude throughout the year. Our Fleetwood athletes had many successes on the court & continued to demonstrate determination, sportsmanship and represented Fleetwood with determination a willingness to improve every day. The experience, friendships, and growth gained this season will provide a strong foundation for future success! Our grade 8 boys volleyball team finished 1st in league and have qualified for Tier 2 playoffs the 2nd week of November! Good luck to our Grade 8 Boys Volleyball team in their SSSAA playoffs.

The senior girls volleyball team had a fantastic season so far with lots of successes. Congratulations to our 3 Grade 12's in their final home game in the last week of October: Angelica Thiessen, Yara Matar & Olivia Silagan. Thanks to Coach Nociar and Coach Nicole for your efforts this year!

Athletics Department

The senior boys soccer team have had an excellent season so far with a 7-0 record, finishing 1st in league. The boys are currently in the South Fraser Championships with a do or die win against Seaquam and a game 2 win against Delta. The boys will continue in South Frasers with a chance to qualify for the Provincial Championships this year. Great work boys! Our Junior Boys have also had an excellent run so far in their soccer season. They remained undefeated all league and fell just short in Semi-Finals to LA Matheson and finished 4th overall in league. Good luck to our Junior Boys in their South Fraser Championships in the upcoming weeks!

Our Senior boys have also had many successes this season including 1st place at Lions Gate in North Van and an overall 7-1 record in league. Congratulations to our nine Grade 12's as they had their final home game: Liam Dela Punta, Travis Le, Alex Gong, Drew Williamson, Brian Park, Vince Hernandez, Angelo Locquiao, Aaran Sidhu & Clarke Zanatta. The boys are off to South Frasers beginning 2nd week of November. Good luck boys!



Athletics Department

The Cross Country Team has had an incredible season, proudly standing as the largest cross country team in Surrey with over 30 runners this year. Our athletes have shown amazing commitment and team spirit at every meet. A special shoutout goes to several of our runners who have earned top 25 finishes in league races: Hania Wlodarczyk *[Gr 8 Girl]*, Aryaa Bhardwaj *[Sr Girl]*, Leo Xu *[Jr Boy]*, Luhan Lee *[Jr Boy]* and Youssef Al Haj Mohamad *[Sr Boy]*. South Fraser Championships took place October 28 at Crescent with over 25 runners! A big congratulations to our following athletes competing at provincials November 7 in Abbotsford: Hania Wlodarczyk *[Gr 8]*, Brian Li, *[Gr 10]* Ben Zhang *[Gr 10]* & Youssef Al Haj Mohamad .

South Fraser Swimming Championships took place November 5 at Watermania in Richmond. Fleetwood had a total of 21 athletes participating Grades 8-12. Top podium finishers included Jeffrey Chen [Gr 11], Leanne Chen [Gr 9], Bryan Chen [Gr 10] & Brian Li [Gr 10]. With many successes all around, 7 athletes are advancing to the Provincial Championships November 20-21, 2026. Good luck to all athletes! Ice Hockey tryouts are now complete, and the team has begun their league play. Be sure to come out and support your ice hockey team at Surrey Sport & Leisure, Cloverdale Rink and Newton Hockey Rink!

Athletics Department

Finally, Congratulations to our September & October Athletes of the Month: Kaitlyn Engbrecht *[Sr Girls Volleyball]*, Angelo Locquiao *[Sr Boys Volleyball]*, Hania Wlodarczyk *[Cross Country]* & Jon Rodriguez *[Sr Boys Soccer]*. All athletes demonstrated amazing successes in their respective sport. Great job to you both! Good luck to all athletes in the rest of their seasons!

For any upcoming Fall or Winter sport information, please be sure to check our athletics website!

Automotive Technology

Help Fleetwood Park Automotive Students Build Skills for the Road Ahead!

Fleetwood Park Secondary is looking for **two vehicle (Cars/SUV's Only)** donations to support our Automotive Technology program! Hands-on experience is an essential part of learning automotive technology. Our students rely on real vehicles to develop practical skills, explore how different mechanical systems work, and learn how to diagnose and repair vehicles safely and responsibly.

Our program introduces students to the fundamentals of automotive technology as early as Grades 10 and 11, giving them a foundation in the technical knowledge and practical skills needed to pursue further training and careers in the industry. We also have a strong connection with BCIT's Automotive programs, where students have opportunities to begin apprenticeships during their senior year.

Donated vehicles make a tremendous difference in what we can offer our students.

Do you have a vehicle you'd consider donating? Whether it's an older vehicle that's no longer being driven or one that's nearing the end of its road life, it could have a second life as a valuable learning resource for our students. If the vehicle is not drivable, we can have it transported to the school.

If you or someone you know might be interested in helping, please get in touch with Fleetwood Park Secondary's Technology Education Department. We'd love to hear from you!

Pro-D trip to Ottawa

This November, I had the opportunity to attend the Teachers Institute on Parliamentary Democracy in Ottawa. This was an incredible professional learning experience and a highlight of my teaching career. Alongside 80 educators from across Canada, I had the opportunity to deepen my understanding of Canada's parliamentary system and explore new ways to bring civics and democratic engagement into the classroom.

During the week, I met with many of the individuals and institutions that play vital roles in our democracy, including the Speaker of the House of Commons, the Speaker of the Senate, and the Governor General at Rideau Hall. I also had the opportunity to meet with my Member of Parliament and Senators representing British Columbia, gaining valuable insights into how our democratic institutions work and how elected and appointed officials serve Canadians.

The experience provided a unique behind-the-scenes look at Parliament and fostered meaningful discussions with educators from every region of the country. At a time when democratic institutions around the world are facing increasing challenges, this learning opportunity reinforced the importance of civic literacy, respectful dialogue, and informed participation in public life.

I am excited to bring what I learned back to Fleetwood Park Secondary. My students will benefit from the insights, resources, and connections gained through this program as we continue to explore the rights, responsibilities, and opportunities that come with living in a democratic society.

Extra Curricular Activities

Get Involved!

Extra-curricular activities are a valuable part of the school's educational program. Our school is proud to offer a range of school based structured organizations for additional school learning. These include many athletic activities and clubs that extend beyond the normal school hours and operate under the supervision of a staff member.

Sports & Athletics

are competitive, individual or team activities that are sponsored by the school and governed by the Surrey Secondary Schools' Athletic Association. Please refer to our school's athletics website for detailed information including game schedules.

Athletics Instagram:
@fleetwoodparkathletics

Our athletics website:
www.fleetwoodparkathletics.com

Clubs

are structured groups of students who come together on a regular basis for a specifically defined and approved purpose. School District Policy requires that information regarding clubs be sent to you so that you have the
opportunity to approve your child's involvement in such activities. A current Club List and the meeting times will be updated on the school website. Students should listen and watch
For announcements for meetings and start Times and if you require further information regarding the clubs listed, please contact the administrative staff. Parents who wish to have their child excluded from any of the available
activities, please inform the Principal in writing.

Weather-related closures, cancellations & delayed openings

Weather-related closures, cancellations & delayed openings

In addition to educating children, schools are expected to provide safe, supervised environments. Any cancellation, closure or delayed school opening has a significant impact on tens of thousands of families. Most cannot arrange alternate childcare when classes are cancelled or schools are closed unexpectedly.

Consequently, schools will not routinely be closed due to snow or other weather conditions unless there is damage or other circumstances (e.g., power outage) at a particular school that makes it impossible to operate safely. **No announcement will be made that schools are open; only cancellations, closures or delayed school openings will be announced**.

- **The district supports individual and family decisions regarding safety**. Student and staff safety are a priority of the school district. Parents/guardians have primary responsibility for their children's safe travel to school and staff members also decide if local conditions may be unsafe. If, for any reason, there are personal concerns about the ability to travel safely to school, other arrangements should be made. It is understood some students travel to school on routes that may be challenging on a snow day; therefore, **no student will be penalized for lack of attendance because of such conditions**. While schools are likely to be kept open**, the decision to attend is the responsibility of each family**. Parents can phone or email the school to notify staff a student won't be attending. **Weather-related student absences will be excused**.

- **Some schools may announce a delayed opening time**. The delayed opening time will be announced on the district website and through the media. The delay would be to allow more time to address potential issues such as a power outage or staff access to the school.

- **The district will do its best to communicate the status of schools beginning at about 7a.m., when possible** . Weather, power, road and safety conditions can change substantially within a few hours, therefore assessments and decisions are made early in the morning so the information is more reliable.
  Only closures or delayed openings will be announced, otherwise, schools are open.
-

Busing
Regular and special needs school bus schedules may face significant changes or cancellation due to weather conditions. Changes/cancellations will be reported through the district website and news media.

Announcement of closures or delayed openings
In the event of class cancellations or delayed school openings, the Surrey School District will post information on its website at www.surreyschools.ca and provide updates to the following news media:

News 1130 (1130 AM)	Red-FM (93.1 FM)
CKNW (980 AM)	CTV News Vancouver
CBC Radio (690 AM)	Global News BC

Class cancellation/delayed opening information may also be posted online by the above news media as well as newspapers. **Please do not call the radio or TV stations** as staff members are very busy receiving updates and preparing newscasts.

Please do not call the schools and district offices. Calling schools and district offices is impractical since staff members are generally not available to answer telephone calls far in advance of regular school opening time and phone lines typically become congested in any event.

School safety during darker mornings

Getting to school safely during darker mornings

British Columbia will now stay on Pacific Time year-round, so expect many mornings this fall and winter to be dark when students leave for school. Surrey Schools has put together some tips for travelling safely and maintaining healthy routines this season with advice from Fraser Health.

On the way to school: Pedestrian safety

- Wear bright and reflective clothing or reflectors to make yourself more visible to drivers
- Cross at marked crosswalks and follow the signals
- Make eye contact with drivers and wait until cars have fully stopped before you step off the curb
- Keep headphones and phones put away so you can hear and see what's coming.
- Turn on your bike lights for the whole ride, front and back

On the way to School: Behind the wheel

- Drive slower than usual near schools and keep to school-zone speed limits
- Make sure your headlights are fully turned on, not just your daytime running lights
- Expect people where you can't easily see them: at intersections, crosswalks, school zones and shared paths
- Leave your phone alone until you've parked
- Use your school's drop-off area and follow its procedures

Additional info is available at this link: https://www.surreyschools.ca/getting-to-school-safely-during-darker-mornings.212495

Volunteer Drivers

Volunteer Drivers

Thank you for volunteering with Surrey Schools. As our shared priority is to ensure student safety, Surrey Schools requires that all volunteers participating in school-related activities, whether employee, community member or parent volunteers, complete an application form and provide a drivers abstract and a criminal record check.

Volunteers play a crucial role in fostering a vibrant school community. We sincerely appreciate your understanding of our volunteer application process, dedication to student safety, and the generous donation of your time. Your efforts provide students with invaluable opportunities that may not otherwise be available to them.

Should you have any inquiries or need further assistance regarding the requirements outlined in this document, please don't hesitate to reach out to your school's office.

Criminal Record Checks:

Under the Criminal Records Review Program (CRRP), School Boards are mandated to ensure that all school volunteers with the potential for unsupervised access to minors complete a criminal record check. The School District appreciates your understanding that requesting this check is both a legal requirement and part of our commitment to student safety. Recognizing that there may be sensitivities around providing such information, the School District assures confidentiality.

Drivers' Abstract:

A drivers' abstract is a record of an individual's five-year driving history. BC residents can quickly and easily obtain a free copy of their drivers' abstract at Driving record (icbc.com) by following the steps outlined below.

Obtaining a Drivers' Abstract:

Step 1: Go to ICBC.com and on the top tab bar hover over "Driver Licencing & ID" and select "Your Licence" from the drop-down menu. Next, in left-side menu bar, select the tab labelled "Your driving record".

Step 2: Click on the purple button labelled "Get your driving records".

Step 3: Enter in your Name and BC driver's licence number and select "Personal driving record".

Step 4: ICBC will send the drivers' abstract in a PDF to your specified email address which you may print and submit to the school office.

Volunteer Drivers

Novice ("N") Drivers

 Surrey Schools discourages individuals with Novice licenses from applying as volunteer drivers because of their limited driving experience and licence restrictions, which allow them to transport only one passenger. Furthermore, School Board policy requires obtaining written consent from the parents of any child who will be transported by a Novice driver.

If you are interested in having your child drive as a volunteer, please reach out to school staff for assistance.

Document Retention and Privacy Policy:

All personal information collected as part of your application will be securely stored, used exclusively for the volunteer driver verification process, and kept confidential in accordance with s.26(c) of the Freedom of Information and Protection of Privacy Act.
