DONATIONS NEEDED!

Latimer's Pass-It-On Bookfair

Wednesday November 18th and Friday November 20th

Since books at traditional book fairs can be expensive for families, Latimer's PAC is trying a more affordable and sustainable approach that gives gently used children's and youth books a second life.

This event will help raise money for Latimer's school library.

Families who would like to take home books are asked to make a **$2-$5 donation per student.**

To help make this event possible, please drop off gently used children's and youth books at the school office until

Friday, November 13.
