\*Graduated Students cannot register in these courses.

To register in Math 11, it is recommended that you have successfully completed Math 10 or Foundations 7.

To register in Math 12, it is recommended that you have successfully completed the corresponding Math 11 course.

English courses require successful completion of English 10 or Foundations 7 to register in English 11 and the completion of English 11 to register in English 12.

Chemistry 11 and Physics 11 require successful completion before taking Chemistry 12 or Physics 12.
