BookFlix: Tips and Tricks!

BookFlix is an educator-favourite digital literacy resource that pairs classic, fictional video storybooks with top-quality, non-fiction eBooks to reinforce early reading skills and develop essential real-world knowledge and understanding. With colorful animation, rich audio, interactive content, and more, BookFlix will engage every student in your classroom or school library!

INCLUDES the video storybook *Scaredy Squirrel* by Canadian author Mélanie Watt

Watch the Story!

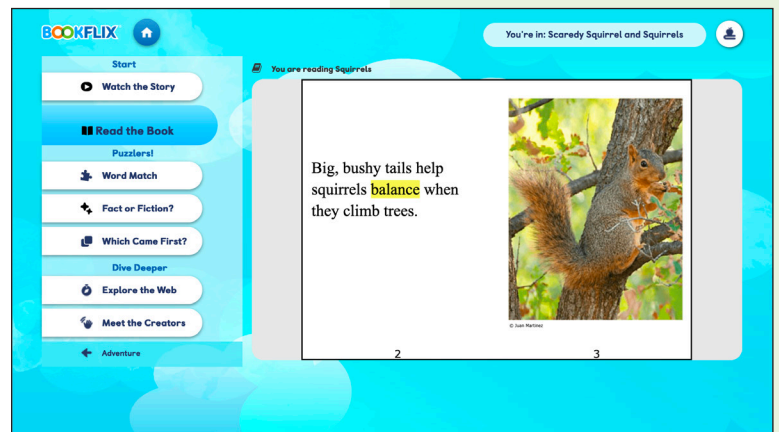

Video adaptations of classic children's books will motivate beginning, reluctant, and ELL students—and enrich their interactions with books.

The Read Along feature highlights each word on the screen as it is narrated in the video, reinforcing early reading skills, including fluency, vocabulary, and comprehension.

Read the Book!

Paired with each video is a non-fiction eBook to build content-area knowledge and introduce real-world facts. Students can build vocabulary as key words are defined.

A Read Aloud option allows students to listen to the book and see each word highlighted as it is read.

BookFlix: Tips and Tricks!

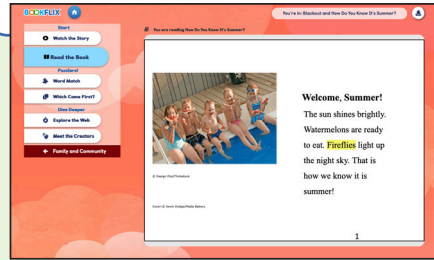

1 Teachers can filter by "Award Winning" titles.

2 Each Fiction and Non-Fiction book pairing has related Puzzlers and Dive Deeper options so kids can continue to explore their favourite subjects.

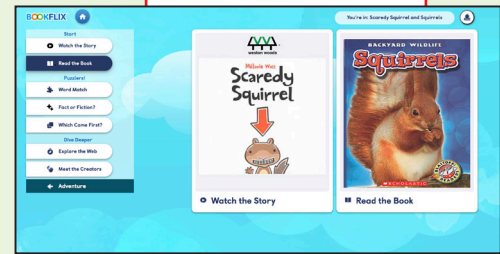

3 Fun animations by the amazing team at Weston Woods and professional voice actors bring your kids' favourite fiction stories to life!

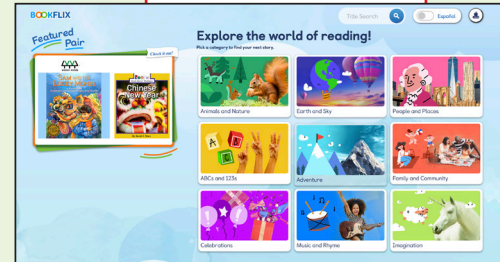

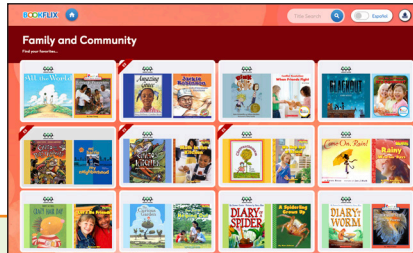

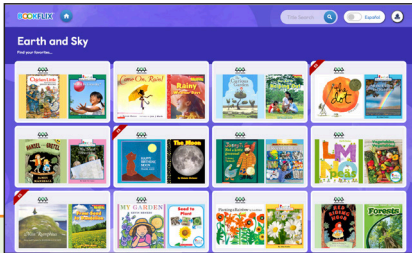

4 When using the "Read Aloud" feature, the word being read is always highlighted. Giving kids the extra support they need when they need it.

5 User friendly and accessible for early years students!

6 Make engaging literacy, science, and social studies connections.

7 Reinforces core reading skills, and encourages inquiry based and exploratory learning.
