

Facility Rentals – Field Rentals

Email: rentals@surreyschools.ca | **Phone:** 604-595-6084 | **Address:** 14033-92nd Avenue, Surrey, BC V3V 0B7 |

Business Hours: Monday to Friday 8am-4pm, excluding statutory holidays

To maintain field conditions, the School District limits the number of elementary grass fields it makes available and the number of hours available to rent each year.

Not all elementary fields are available for rental, and no secondary school fields are available for rental. Additional spaces including City parks may be rented from the City of Surrey at bookafield@surrey.ca.

If the School District receives more requests for grass field access time than can be accommodated, field space will be allocated considering each group's historical field use, size, make-up of the organization, and number of hours requested.

Allocation of Space:

Historical irrigated field groups **do not** get first right of refusal for the same space and time as they had the preceding year. The availability of irrigated fields change annually and community needs change significantly each year. All irrigated field requests will be considered together and new each year.

The School District will endeavor to fulfill as many field rental requests as it can accommodate until space is full. We cannot guarantee that all requests will be approved in full.

Conditions of Use:

- Applications must be submitted directly through our [online booking system](#) and no less than 15 business days prior to the first requested date of use.
- Applications are subject to the [Terms and Conditions](#) and are not considered granted until an approved License has been granted by the Facility Rentals Department.
- Fields are rented in as-is condition. If the condition deteriorates to the point where repairs are needed, the field may be closed until repairs can be remedied.
- All damage caused to the field by the user group will be repaired and charged back to the group.
- Temporary access to a gate key that will allow access to locked fields and parking lots may be obtained in some cases. A [deposit](#) will be required, and a Key Lending Agreement must be completed upon pick up.
- Failure to return the key (where applicable) will result in the forfeit of the deposit.
- Interior school access is not included with rentals of exterior space including for washroom access. Groups may be permitted to place portable washrooms on District property at their own expense and upon approval. Contact rentals@surreyschools.ca for more information.

- The following items are prohibited on Surrey School District Fields;
 - Tents
 - Spikes or Stakes
