Principals report

Roller blading has started this week and has been received well. Students will be able to go three times this week.

Track meet is on June 13 at South Surrey Athletic Park. Parent drivers will transport children to the park.

Centennial Beach trip will be on June 27. Students will travel by school buses paid for by PAC.

Office staff has been busy calling students on the waitlist for the next school year. There are limited spaces for grade 1-7.

The Talent show on May 26 was a success. Students shared their special talents and parents were able to watch as well.

Teachers would like to say “thank you” for treats PAC provided for Teacher Appreciation week.

A new sign has been installed at the end of the parking lot asking everyone to turn right to ensure student safety and to keep the traffic flowing. Most parents are ignoring the sign.

A big thank you from all the school staff to everyone on the PAC executive this year and to the parents that attended meetings. Students enjoyed having hot lunches and treat days at MRT. Fundraising efforts helped pay for pancake breakfast, roller blading, grade 7 medals and school buses for the year end beach trip.

Uniform Vendor

Amandeep introduced a new light weight uniform shirt, now available for purchase. A new ordering website will be up and running in 2 weeks. Payment is by cash or e-transfer only.

PAC brought up numerous parent concerns to vendor. Amandeep experienced hardships with COVID 19 pandemic and customs delays. Amandeep has ensured PAC that these issues will no longer disrupt supply. Amandeep has also ordered stock, which is ready for distribution. A3H uniforms will have pop up shop in the school gym in June for parents to order uniforms for 2023-2024 school year.

After much discussion, PAC agreed to keep A3H uniforms as MRT's uniform vendor. If any supply chain issues occur in September, PAC will look into other uniform vendors.

Sports Day concession

PAC will have a sports day concession, open to parents, staff and students. Joy and Michelle will organize an item and price list. (June 16)

The PAC freezer does not work and is rusted and mouldy inside. PAC to budget for a new deep freezer at the September PAC meeting.
