Meet the Directors

Ashleigh Winterhalt **Director**

Ashleigh Winterhalt has taken part in several performances over the course of her decade long teaching career. She has had the opportunity to take part in both the directorial and performance aspects across elementary and senior level musicals. She has a specialty in music with a focus on classical piano and performance. Last month, she wrapped up directing The Little Mermaid Jr. which marked her fourth fully directed and originally choreographed elementary musical. Directing The Lion King Kids in the same year was a fun and challenging feat!

Megan Fox **Co-Director**

Megan Fox graduated from the University of Victoria's Theatre program with a specialization in acting and has a Master's in Applied Theatre from the University of London (UK). Having co-founded a youth theatre in the UK she has directed several shows for that company and has devised several theatre pieces in the community with young offenders, ex-offenders and homeless groups. She is also a Mom to a grade 7 performing in the show! She is so excited to have helped as an acting coach for the Lion King and thinks the cast and crew have done a marvellous job! She thanks the whole team at Port Kells for all the help and effort to put on this wonderful theatre production. Enjoy!
