Bottle Depot –Did you know that you can donate the funds from your returnable containers to the school year round? Just put your clean empties in clear plastic bags and take them to the Return-It depot by the school (14727 108th Ave). Use the school phone number (604-588-5978) at the label printing kiosk, label your bags, and leave them in the express drop off bin. It’s that quick and easy!
