Dear parent/guardian,

Beginning September 2022, the Surrey School District has selected Spaces by MyBlueprint as the new district-wide online platform for student digital portfolios to communicate student learning. You have previously provided consent for your child to use a digital portfolio and the purpose of this notification is to inform you that the district is moving from FreshGrade to Spaces by myBlueprint. All Spaces data is stored in Canada.

Please let the school office know if you have any concerns or questions regarding the new digital portfolio platform. Otherwise, the district will continue providing your child with a digital portfolio. For families who are new to the school, you will receive a *Technology Tool General Consent* form shortly to complete, sign and return to the school.
