

A photograph of two students, a young man and a young woman, walking together on a paved path. The man is wearing a black long-sleeved shirt with 'KPU' on it and black pants. The woman is wearing a white sweater and blue jeans. They are both carrying backpacks. The background shows trees with autumn foliage in shades of orange and yellow.

Head Start PROGRAM

A GUIDED PROGRAM FOR FIRST YEAR STUDENTS

- **Many students have questions about what they need to do to prepare for a successful first-year experience and how to access resources available to them prior to registration.**

The Head Start program will provide access to a dedicated academic advisor who will be available to support you through your first year of studies. Your advisor can recommend and connect you to student services that meet your needs and ensure that you are prepared for your first year at KPU.

You can also talk to your advisor about exploring different programs and creating a plan that will help you to choose an educational path based on your unique strengths, interests, and career curiosities.

This program is best suited to students intending to pursue academic undergraduate studies.

HEAD START BENEFITS:

- » Access to personalized assistance, so that guidance, courses, and resources are specific to you
- » Students will be expected to commit to meetings with their advisor during their first year and will also need to follow up with pre-appointment reflections, assessments, and other action items assigned
- » Program will include:
 - Academic Planning
 - Strategic Course selection
 - Workload balance
 - University Expectations, policies and important dates and deadlines
 - Connecting students with resources based on their individual needs
 - Access to student success workshops

HOW TO APPLY:
