

## **ENVER CREEK GENERAL SCHOOL FEES 2023 - 2024**

Instruction is provided free of charge to all students registered in a school's education program sufficient to meet the general requirements of graduation, and it shall provide free of charge any resource materials necessary to participate in that program. The School Act permits the charging of fees for certain items. In Surrey Secondary Schools, the following structure applies through Board Policy 9802 related to fees and any costs for students or families. Students will need to provide their own basic supplies and equipment for their own personal use such as paper, writing tools, calculators, notebooks, gym attire, sewing kits, music instruments, and some other items needed for various electives. Workbooks may be provided to students on loan, or they may be purchased for personal use. Students can also elect to purchase other support materials (professional resources including practice examinations) through their teachers. Some courses such as Textiles and Woodwork provide students with the option of using different or better-quality materials, which may be brought from home or purchased from the school at a cost. Some courses, such as AP (Advanced Placement), offer optional certifications or external examinations for which there are charges. If you wish to discuss the implications that these charges may have on your child, please contact our school administration.

### **BASIC STUDENT FEE**

Student Activity Fee ..... \$25.00  
(Includes: Student Agenda/App/Locker Maintenance \$9.00, Student Activities/Events \$8.00, Athletics \$8.00).

Please pay online by registering at [surreyschools.schoolcashonline.com](https://surreyschools.schoolcashonline.com) or make cheques payable to Enver Creek Secondary School.

Online payment of fees should be available no later than September 5<sup>th</sup> to all registered 2023-2024 Enver Creek students. Students who are unable to pay online may pay in person, **by cheque only**, payable to Enver Creek Secondary School, at the school office before school, at lunch or after school.

## **REPLACEMENT CHARGES**

Students will be assessed a charge for lost or damaged school property (textbooks, Library books, uniforms, music instruments, etc.) Charges will be based on the replacement cost of the item. Students are expected to return the same textbook they are issued so it is important to label your text with your full name and student number and avoid lending textbooks to other students.

## **MATERIALS CONSUMED IN A COURSE**

In courses that consume materials (e.g. art, cooking, woodworking, metalwork, science, band) schools can only charge for materials or goods that are surplus to what would be necessary for the student to meet the expected outcomes in a course. If a student is going beyond the basic requirements of a course and creating projects for personal use (e.g. creating a table from mahogany rather than plywood), then the student may bring their own materials from home or the cost for the materials for these enhanced projects may be recovered through a fee.

## **FIELD TRIPS**

Students may be charged a cost for expenses such as transportation, accommodation, meals, entrance fees and equipment rentals for optional field trips, or other extracurricular outings or events. Students will not be charged fees for any field studies/field trips where attendance is mandatory as part of a course or program.
