Principal's Letter

Dear Students, parents/guardians of the Graduating class of 2024,

Congratulations on reaching the final stage of high school life! Grade 12 is a time of such significance with important decisions, rich learning and well-deserved celebration. The purpose of this newsletter is to inform you of our current plans related to "Graduation 2024". We are very pleased to announce that we will be hosting all of our traditional Dinner-Dance, Dry Grad and Commencement Ceremonies. Please review the information in this newsletter and contact the school if you require further information.

Students, we look forward to your final terms at Fleetwood Park Secondary. We know that your graduation celebration will be special and very memorable. Like every graduating class before you, we challenge each and every graduate to demonstrate leadership and service within your school. Your citizenship helps to define the warm, caring and inclusive culture of Fleetwood Park, and we are grateful for all you provide to our community.

We challenge all students to consistently strive to be your best. In order to participate in our year-end Graduation celebrations, students must be in a position to pass their courses and meet the Ministry of Education's Graduation requirements. Students cannot be on Academic probation. Students must demonstrate responsible citizenship and follow our school's Code of Conduct. It is important that we remind students and parents that events organized and sponsored by the school must be alcohol and drug free. We request that all graduating students submit their \$50.00 Grad Fee to cover the cost of Commencement gowns, a composite photo, decorations, and other commencement costs.

This year our graduating students will have their Dinner-Dance at Newlands Golf Club. Dry Grad will follow Dinner-Dance and will be held at Central City Fun Park. The Commencement ceremony will be held at the Bell Theatre. Please see this newsletter for details of each event.

Please stay up to date with our unfolding plans by following updates on our website at www.surreyschools.ca/schools/fltsec. You may also find information about grad on our FPSDragons App, our Twitter feed @FPSDragons and on our Graduation 2024 TEAMS page.

Your Truly,

Jodie Perry
Principal

Community Safety Letter

Royal Canadian Mounted Police
Gendarmerie royale du Canada

October 5, 2022

Dear Parents and Guardians:

As we settle into this new school year, the Surrey School District and the Surrey RCMP want to reaffirm our shared commitment to student safety and wellbeing. Both of our organizations are committed to supporting students and their families, and ensuring that every student has a safe, fun and productive school year.

We would also like to take this opportunity to remind parents and guardians that safety is a shared responsibility. We encourage you to talk to your child about safety and their responsibilities at home, at school and in the community. Unsafe or illegal activities have no place on or off school grounds. This includes:

- Bullying, cyberbullying, harassment, threat(s) or intimidation
- Unsafe or dangerous activities
- Violence or discrimination of any form
- Verbal, physical or sexual harassment or abuse
- Theft or vandalism
- Possession or use of intoxicating or banned substances
- Possession or use of weapons (or replica weapons like air soft or BB guns) and explosives

We know that these conversations can be difficult, but they are critical. Please reach out to your school if you need any support. We have also compiled some additional resources that you may find helpful:

- [PSST \(Protecting Surrey Schools Together\)](#): PSST (psst-bc.ca) is a district resource where school safety concerns can be reported confidentially by anyone in our school communities.
- There are a number of youth programs and initiatives to facilitate positive connections between youth, their family, school and the community, including [Code Blue/Mini Blue](#), [Project Lavender](#), [Shattering the Image](#) and the [Wrap Program](#).
- The [Surrey RCMP Parent Helpline](#) (604-599-7800) provides guidance for parents and guardians who believe their child is involved or at risk of becoming involved in criminal activity.
- The Surrey RCMP [Family & Youth Resource Support Team](#) (FYRST) works with youth when they first start to exhibit signs of poor decision-making and need to find attachment to other resources and supports.

We hope you find these resources helpful, and we encourage you to reach out to your school, the district's Safe Schools department or any of the resources above if you need any support or more information.

Sincerely,

Mark Pearmain
