- Follow and demonstrate our code of conduct: Respect Yourself and Others, Respect the Environment, Respect Learning,

All students are encouraged to become involved in school life and become part of the Dragon tradition that has made Fleetwood Park Secondary such a wonderful place to work and learn. There are many ways to enrich your life within our community through academics, electives, extra-curricular clubs and athletics.

I would like to send a special welcome to our new Grade 8 students, the class of 2027. Our school has much to offer and we are excited to have you join our family. We know that you will add to our rich traditions of excellence and become proud Dragons.

I would also like to recognize this year's incoming Grade 12 students, our graduating class of 2023. This will be a very special and important year for our senior students. As the graduating class, you will provide leadership and purpose in all aspects of student life. Your role as leaders within our community is a significant responsibility and directly contributes to Fleetwood Park's outstanding levels of excellence. We are confident you will meet our expectations as student leaders, and we know that with hard work and dedication you will enjoy a year of success and reward and build many life-long memories. 2022-2023 will be a year of culture building and renewal. Our Graduating class will be required to lead with care and positivity.

Parents, we invite you to become involved as partners in all aspects of the school. The first Parent Advisory Committee meeting is scheduled for 7:00 pm September 26. This is an excellent opportunity for parents to become involved in the school and all parents/ guardians are highly encouraged to join us. We look forward to parent involvement within this important committee.

This year homeroom will occur in the regularly scheduled Block A of each day throughout the first week. Students will be provided clear guidelines on how to achieve success and be a responsible citizen within the school community. We will carefully review all updated health and safety requirements with our students.

Health and Safety

It's Important To Continue Doing Daily Health Assessments

May 4, 2022

Daily Health Assessments, staying home when sick, maintaining personal distancing when possible, frequent hand washing, cough and sneeze etiquette are all steps that remain in place in our schools and district facilities and help reduce the risk of COVID-19 transmission.

For those who are able, vaccination and wearing a mask while indoors also reduce your own personal risk and reduces the likelihood of transmitting to others.

For more information, check the [Provincial COVID-19 Communicable Disease Guidelines for K-12 Settings](#) or the province's [COVID-19 safe schools](#) website.

Thank you for continuing to keep our schools and workplaces healthy!

SCHOOL FEE COLLECTION

Please find a current school fee schedule on page 11 of this newsletter. **Please note that school fees may now be paid online.** We would appreciate your attention to this responsibility as soon as possible. If not paying online, we respectfully request **one cheque for general fees** – student activity fee, and **separate cheques** where appropriate **for individual course enhancement costs** (paid to each subject teacher). Please be aware that these costs are assigned on a cost-recovery basis only and are for enhancement materials for personal use and/or consumables. If your family will have difficulty paying these school fees/costs, please contact your child's Vice Principal.

STUDENT DEBTS

Students will be assessed a cost for lost or damaged school property (books, lockers, sport jerseys, etc). Charges are based on the replacement cost of the item. Students must return the same textbook to receive credit, so avoid lending textbooks and label your text with your full name and student number.

Unsafe driving practices will result in this privilege being revoked.

Online Locker Selection Information

Fleetwood Park Secondary uses an online locker selection process. Students are not assigned a locker in homeroom, but instead, can go online and select their own locker.

To choose a locker, log into the following website:

<http://fleetwood.lockerassignment.com>

Student accounts have been created for all current students to access the system.

To log in, you must:

- **Enter your STUDENT # and your password.**
*Your **STUDENT #** can be found on MyEdBC, Fleetwood Park Go-Card, timetable, an old report card, and on printed school schedules. New Grade 8 Students will receive their student #s when they pick up their printed schedules starting on Wednesday, August 24th. The schedules will be available to pickup at the school office.*

If you are new to Fleetwood Park, or are having trouble logging into the system, the system might not have your log-in information or your correct STUDENT# / birth date. If you have tried logging into the system but cannot, please contact the school so that we can update your information and get you logged in. It takes several days for the website to be updated, so patience is necessary! Please contact Ms. Shipley or Mr. Kirincic in the office, if you have any problems with logging in.

Extra Curricular Activities — Get Involved!

Extra-curricular activities are a valuable part of the school's educational program. Our school is proud to offer a range of school based structured organizations for additional school learning. These include many athletic activities and clubs that extend beyond the normal school hours and operate under the supervision of a staff member.

Sports and athletic activities are competitive, individual or team activities that are sponsored by the school and governed by the Surrey Secondary Schools' Athletic Association. Clubs are structured groups of students who come together on a regular basis for a specifically defined and approved purpose.

School District Policy requires that information regarding clubs be sent to you so that you have the opportunity to approve your son/daughter's involvement in such activities. This is a list of activities in our school, however a current list of clubs and the meeting times will also be updated on the school website.

School District - Weather Policies

Weather-related closures, cancellations & delayed openings

In addition to educating children, schools are expected to provide safe, supervised environments. Any cancellation, closure or delayed school opening has a significant impact on tens of thousands of families. Most cannot arrange alternate childcare when classes are cancelled or schools are closed unexpectedly.

Consequently, schools will not routinely be closed due to snow or other weather conditions unless there is damage or other circumstances (e.g. power outage) at a particular school that makes it impossible to operate safely. **No announcement will be made that schools are open; only cancellations, closures or delayed school openings will be announced.**

- **The district supports individual and family decisions regarding safety.** Student and staff safety are a priority of the school district. Parents/guardians have primary responsibility for their children's safe travel to school and staff members also decide if local conditions may be unsafe. If, for any reason, there are personal concerns about the ability to travel safely to school, other arrangements should be made. It is understood some students travel to school on routes that may be challenging on a snow day; therefore, **no student will be penalized for lack of attendance because of such conditions.** While schools are likely to be kept open, **the decision to attend is the responsibility of each family.** Parents can phone or email the school to notify staff a student won't be attending. **Weather-related student absences will be excused.**
- **Some schools may announce a delayed opening time.** The delayed opening time will be announced on the district website and through the media. The delay would be to allow more time to address potential issues such as a power outage or staff access to the school.
- **The district will do its best to communicate the status of schools beginning at about 7 a.m., when possible.** Weather, power, road and safety conditions can change substantially within a few hours, therefore assessments and decisions are made early in the morning so the information is more reliable.
- **Only closures or delayed school openings will be announced, otherwise, schools are open.**

Busing

Regular and special needs school bus schedules may face significant changes or cancellation due to weather conditions. Changes/cancellations will be reported through the district website and news media.

Announcement of closures or delayed openings

In the event of class cancellations or delayed school openings, the Surrey school district will post information on its website at www.surreyschools.ca and provide updates to the following radio stations.

CKNW (980 AM)
News 1130 (1130 AM)
CBC Radio (690 AM)
Red-FM (93.1 FM)

Radio India (1600 AM)
Radio Punjab (cable/satellite)
Fairchild Radio (1470 AM)
CHMB (AM 1320)

Class cancellation/delayed opening information may also be broadcast on some local TV station newscasts and posted online by newspapers. **Please do not call the radio stations** as their employees are very busy receiving updates and preparing newscasts.

Please do not call the schools and district offices. Calling schools and district offices is also impractical since staff members are generally not available to answer telephone calls far in advance of regular school opening time and phone lines typically become congested in any event.

Student Accident Insurance

Did you know . . .

Surrey School District does not insure expenses for student injuries that happen on school grounds or during school activities?

You are responsible for these expenses as a parent or guardian.

The Surrey School District and your District Parent Advisory Council provides the opportunity for families to voluntarily purchase private accident insurance through the Kids Plus™ accident program underwritten by Industrial Alliance Pacific Life Insurance Company (IAP).

Kids Plus™ Accident Insurance offers protection against the potentially high costs of serious injury from unexpected accidents and is especially valuable for families who:

- do not have medical or dental plans,
- have limited plans, as it may help supplement health and dental benefits, or
- have active children who enjoy sports and outdoor activities.

Accidents can, and do, happen

Kids Plus™ Accident Insurance has a selection of plans to suit most budgets. Benefits include coverage for:

- A full year (September to September), 24 hours a day, whether at school or at home;

- Expenses such as ambulance, physiotherapy, private tutoring, counselling, and much more that are limited or not covered by private or group insurance plans, or provincial health plans;
- Injury-related dental treatment;
- Out-of-province or country emergency medical expenses.

If you change address during the school year, your Kids Plus™ Accident Insurance plan is transferable from school to school, anywhere in Canada.

Insurance premiums range from \$14.50 to \$33.50 per year, depending on the plan selected, and your child is covered all the time, not just while at school. A discounted premium is available for families with 3 or more children.

The insurance agreement will be between you and Industrial Alliance Insurance and Financial Services Inc. and your Kids Plus™ Accident Insurance Policy becomes effective on the date the enrolment application and payment are received by the insurance carrier.

For more information or to apply online, please visit www.kidsplus.ca, or speak with an IAP Kids Plus™ Customer Service Representative at 1-800-556-7411.

School District Information

Dear Parent/Guardian,

An important part of our class work this year will involve using Internet-based tools to create and share our learning and to continue building a lifelong digital portfolio. Many tools may require your child to create a personal account, using his/her School District provisioned email account (doe.j@surreyschools.ca). Please note that your child will use Internet-based tools for both classroom activities and homework assignments. Students will continue to hold accounts after our coursework is completed.

Your written consent to your child's use of Internet-based tools is required by British Columbia's *Freedom of Information and Protection of Privacy Act (FIPPA)*.

If you choose not to provide your consent to your child's use of Internet-based tools, your child will not be penalized in any way and alternate activities will be provided, as appropriate.

It is important to be aware that the majority of the Internet-based tools are online services hosted outside of British Columbia and possibly Canada. While stored outside the country, information in your child's accounts may be subject to the laws of foreign jurisdictions, including, in the United States, the USA Patriot Act.

As a general safe practice, when interacting with any online service, students should take care and avoid posting personal information or personal location that could be used to identify themselves or other persons.

Kindly return a copy of this letter to the office, signed and dated, before the end of September.

Consent: I understand that the information my child may create and store could be stored in or accessed from a location outside of Canada, and I hereby consent, on behalf of me and my child, to my child's information identified above being stored in, or accessed from, a location outside of Canada.

This permission to use the tools indicated above is granted for the duration of my child's time in the Surrey School District.
