Dear Parents, Guardians and Students:

As we wrap up this school year, we wish you a restful and relaxing summer break. Thank you for your patience and flexibility this year as we worked through many changes including a Principal change after Spring Break. Please find important information below as you look forward to the 2022/23 school year including the bell schedule, tours for new students, first day back, student schedule access and how to stay informed. We will be moving to a full school linear schedule for next year, which means students will have 8 courses all year long: 4 classes on Day 1 and 4 classes on Day 2. Every Tuesday will remain a late start for our students as our teachers use the morning to collaborate.
