

PARENT-TEACHER CONFERENCES

Johnston Heights is offering online booking for In-person Parent-Teacher Conferences. This system allows you to select appointments to suit your schedule. It will also allow you to coordinate meeting times if you have more than one child. This program is simple and easy to use.

You will be able to register your student(s) and book your interviews online ahead of time. Conference times are typically from 2:30 to 4:30pm and from 5:00 to 6:30pm.

Parent Registration

Please go to <https://jh.schoolappointments.com/> click on the "Register" tab and fill in the registration form to create an account. Once you have successfully registered, you can login to the system using your new user ID and password. You must register each of your children with the "add a student" button. **Please note that even if you registered for appointments in previous sessions, you must re-register for each subsequent session.**

To Book Appointments

Select Teachers

You can schedule appointments for any student you have added to the system by clicking the "Book Appointments" icon to the right of the student's name. You are then taken to a page where you can select the teachers with whom you wish to meet. Multiple teachers can be selected by using the "Ctrl" key on a pc keyboard or the "Command" key on a Mac keyboard.

Teacher Appointment Calendars

You will see the calendars of the selected teachers. It shows appointment times that are available for booking. You may select appointment times by simply clicking the check boxes or by clicking in the time block beside the check box. Once an appointment time has been selected it will change to green.

It is not possible for you to select more than one appointment at the same time or to select more than one appointment with the same teacher.

Parents with more than one student

If you have more than one student at the school, the teacher appointment calendars will have an additional feature displayed when the second (or third, etc.) student bookings are made. If a sibling has an appointment booked, the student's name will be displayed, thus making it easier to book adjacent appointments.

Appointments Booked Successfully

Once the appointments are booked the screen will display the list of appointments for the student. If you click on the "Return to Homepage" button, you will return to the homepage with your students and appointments listed. You can book additional appointments or book appointments for another student.
