STUDENT CODE OF CONDUCT

The North Surrey Learning Centre is a community of over 300 students. As in any community, citizens must work together with cooperation and understanding. Our common purpose at the North Surrey Learning Centre is to acquire knowledge, develop skills, develop positive attitudes towards learning, to be responsible citizens, and respect the rights and property of others.

To this end, students can demonstrate the attributes of a responsible young adult by adhering to the following expectations while under the jurisdiction of the school, travelling to/from school, while at school, or while at any school sponsored function whenever and wherever it is held.

1. **ACCEPTANCE:** All expressions of racial/ethnic bias or acts of racist/sexist behaviour, will be dealt with swiftly, and may result in suspension. Vandalism/willful damage to school property or property of others are not acceptable.
