Graduation Requirements & Grad Checks

Counsellors will be in contact with parents via email &/or a letter home if a grade 12 student is missing any graduation requirements.
Please reply to the counsellor so a plan for graduation can be confirmed.

Student Transcript Service

- Many students did this through CLC 12 last year.
- Students MUST register for the BCeID first
- Transcripts are then ordered & made available to the post secondary institutions the student selected by the Transcript Service .
- In most cases, universities no longer request stamped & sealed papers transcripts.

Supporting our Grads

- This is a time of transition from secondary school to the work force and/or university.
- Stress
- Anxiety
- Fear
- Uncertainty
- Decisions

- Counsellors can help!

Grade 12 can be a tough year for our grads. If your student is struggling please encourage them to book an appointment with their counsellor.

Literacy 12 Grad Assessment

- Literacy 12 – all grade 12s will write on Tuesday, January 24, 2023
- Re-write will be offered in June for post secondary entrance.

All Grade 12 students will write Literacy 12 on this date. Their grade 12 classes will be cancelled on January 24 so students do not fall behind and can focus on the assessment.

Grad Assessments: Catch Ups

Grade 11 and 12 Students

Who have NOT written:

- Literacy 10
- Numeracy 10

Students can complete this form to register:

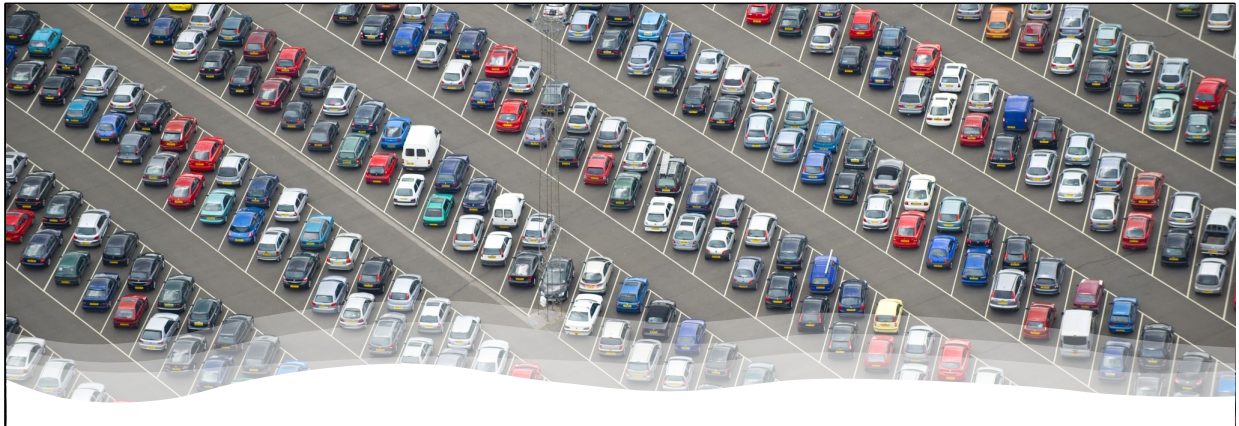

<https://forms.office.com/r/6P2Ru770gd>

Any student who did not write Literacy 10 or Numeracy 10 need to complete these assessments before they graduate.

Students should listen for announcements in the new year.

New Drivers

We're seeing a lot of students breaking the rules. We are concerned that someone is going to get hurt.

Daily students are taking extra passengers in their car.

Many are speeding / driving in an unsafe way in the parking lot.

We give students one warning and then they lose their parking privileges for one month.

Grad Pranks

Often what students describe as a prank is actually a crime.

It's your (the student's) responsibility, consider it your part time job.

It is not necessarily the best PERSON who gets the scholarship ... It is the best person who APPLIES who gets the scholarship

If students do not apply they are not considered for scholarships.
Every year thousands of dollars go unawarded because students have not applied for scholarships.

Thank you for joining us tonight!
