

Queen Elizabeth Secondary School Fee Schedule for 2022-2023

QUEEN ELIZABETH GENERAL BASIC STUDENT FEE AND OPTIONAL ENHANCEMENTS

Instruction is provided free of charge to all students registered in a school's education program sufficient to meet the general requirements of graduation, and it shall provide free of charge any resource materials necessary to participate in that program. The School Act permits the charging of fees for certain items. In Surrey secondary schools, the following structure applies through Board Policy 9802 related to fees and any costs for students or families. Students will need to provide their own basic supplies and equipment for their own personal use at school. This includes supplies such as paper, writing tools, calculators, notebooks, gym strip, sewing kits, and some other items needed for various electives. Some courses such as Textiles and Woodwork provide students with the option of using different or better quality materials, which may be brought from home or purchased from the school at cost. Some courses offer optional certifications or external examinations for which there are also charges. No student will be denied the ability to participate in any part of the school's educational programs as a result of an inability to pay. If there are family concerns regarding the ability to pay please contact your son or daughter's counsellor. If you wish to discuss these school charges please contact our school administration.
