QE ROYALS — Home of the “Royal” Bengal Tigers!

Principal’s Message

To the Queen Elizabeth Secondary School Community,

It’s finally here! The summer students and staff have worked so hard to reach. As we all head off for a well-earned break, it’s worth reflecting on the year that was. My message to grads this year was about the importance of expressing gratitude to the people who have made things happen. I’d like to do this now.

First and foremost, I’d like to thank the staff for all their work and commitment to the growth and learning of our students this year. And there was plenty of both. This year saw a fantastic science fair, fieldtrips to as far away as Mount St. Helens and many thousands of dollars raised for local causes as part of the Youth philanthropy Initiative. Across grades, classes, and disciplines, students achieved great feats of learning. Each semester saw many many academic excellence awards earned by Royal students. This culminated in a recent Awards luncheon with almost 200 invitees, and with the awarding of over 200 thousand dollars in scholarships to our graduates this year.

Royals found success on the fields, pitches and gym floors this year as well. Standouts included our girls’ soccer sides, our senior boys’ basketball squad, who made it within a hair of the provincial championships losing out to a top three team, and our Kabaddi Team that placed 2nd in the province. Our Ultimate Frisbee crew also represented the school well, winning several tournaments culminating in a win at the Provincial Select Invitational tourney. What was most impressive of all, was seeing so many of our students engaging in these activities and demonstrating the work ethic necessary to succeed at sports and in life. Victories will fade, but the ability to grind things out will endure.

Students in the Arts also brought the house down in many and varied ways. From Band Hub shows, to Disney on a Budget, to QEinesthetics, our performers and artists brought their very best, culminating in a year-end Fine Arts Awards show last week that was absolutely fantastic. So many paintings and sculpture work to view and appreciate, the evening was a proud moment for all. As a delightful legacy, artwork from many of these students will continue to hang in our main office.

Royals have indeed had a wonderfully successful year. It is due in no small part to you, the parents, guardians, and families that make up our school community, who have supported the efforts of our students at every turn. The support staff at our school has also been pivotal in making sure the conditions are right for learning and success. Many thank yous go out to our Education assistants, Youth Care Workers, our Career Centre Assistant, and our sublime office staff.

This will be my last dispatch as principal of QE. It has been the greatest honour of my career. I am immensely proud of what we as a school have accomplished, and I will continue to watch with fondness and interest, as Royal students achieve even more in the future.

Sincerely,

Graham Magnusson
 Principal

Our Mission Statement

At Queen Elizabeth our mission is to be a safe and respectful learning community where all students will prepare intellectually, socially, and emotionally for their journey in a changing world.

Website — <https://www.surreyschools.ca/queene>

Parent Parking, Drop Off and Pick Up

Parents are asked NOT to drop off or pick up students directly in front of the school's main entrance/corridor or along King George Boulevard. For safety, we ask you that you move along to the west side of the parking lot (past the Portable) or park your vehicle in the parking lot to ensure steady flow of traffic coming off King George Boulevard.

Please do not line up on King George Boulevard, in either the slow lane and/or the curb lane, as this is obstructing traffic flow on King George Boulevard.

We thank everyone for their understanding and cooperation!

SCENTS AND SENSITIVITY

Did you know that according to the BC Lung Association, 30% of Canadians report that scents adversely affect their health which can contribute to allergic reactions, respiratory irritations, headaches, irritability, nausea, anxiety, fatigue, depression, and etc... ???

There are thousands of products that contain chemical ingredients which provide a "pleasant" scent. They may include the following:

- | | | |
|---|--|---|
| <input type="checkbox"/> Shampoo/Conditioners | <input type="checkbox"/> Fragrances/Perfumes | <input type="checkbox"/> Industrial/Household Chemicals |
| <input type="checkbox"/> Hairsprays | <input type="checkbox"/> Cosmetics | <input type="checkbox"/> Air fresheners/Deodorizers |
| <input type="checkbox"/> Deodorants | <input type="checkbox"/> Candles | <input type="checkbox"/> Colognes/Aftershaves |
| <input type="checkbox"/> Soaps | <input type="checkbox"/> Oils | |
| <input type="checkbox"/> Lotions/Creams | <input type="checkbox"/> Potpourri | |

Unfortunately, the "pleasant" scent isn't usually the concern, but rather the chemical ingredient that produces the scent itself.

As a general guideline, only use products that:

1. Are labelled either "scent-free, unscented, or fragrance-free" and
2. Remember, your nose is a reliable resource to confirm it.

Queen Elizabeth Secondary School Fee Schedule for 2023-2024

QUEEN ELIZABETH GENERAL BASIC STUDENT FEE AND OPTIONAL ENHANCEMENTS

Instruction is provided free of charge to all students registered in a school's education program sufficient to meet the general requirements of graduation, and it shall provide free of charge any resource materials necessary to participate in that program. This includes supplies such as paper, writing tools, calculators, notebooks, gym strip, sewing kits, and some other items needed for various electives. Some courses such as Textiles and Woodwork provide students with the option of using different or better-quality materials, which may be brought from home or purchased from the school at cost. Some courses offer optional certifications or external examinations for which there are also charges. No student will be denied the ability to participate in any part of the school's educational programs as a result of an inability to pay. If there are family concerns regarding the ability to pay, please contact your son or daughter's counsellor. If you wish to discuss these school charges, please contact our school administration.

Queen Elizabeth's Parent Advisory Council — PAC

PLEASE JOIN US !!

The School Act gives parents the right, through a PAC (Parent Advisory Council), to assume an advisory role in every school. The PAC is the officially recognized collective voice of parents and guardians of the school. PACs are forums within each school community to discuss matters affecting their children's school and the education of these children. Parents' voices are a tremendous value to the school. They offer a wealth of ideas and support in the challenges that face all public schools. PACs strive to represent the diversity within their communities and contribute to the benefit of all students by providing opportunities to educate and inform parents about the school and openly discussing parents' concerns and aspirations for the school.

Who Can Become a Member of PAC? — All parents and guardians of students registered in the school are able to participate as a member of the PAC.

How Does a PAC Work? — Through the parents in the school, PACs communicate with their parent community gathering and discussing issues of importance regarding their school in order to adequately advise those that influence their school. In addition to monthly PAC meetings, communication may also be done through newsletters, telephone, email and websites so that all parents have the opportunity for input. PACs, with strong participation from parents, have an important influence on life at the school and the feelings the community has toward the school and education. There is strong evidence that increased parent involvement in the school results in increased student achievement, accomplishment, satisfaction, and bonding all of which result in decreased dropout rates and better citizen.

The Purpose of a PAC can be:

- ◆ to provide parents with the opportunity to gain greater understanding of the school;
- ◆ to assist the SPC in carrying out its function;
- ◆ to give input into school- based decisions;
- ◆ to participate in goal setting;
- ◆ to unify efforts of the school community towards the goal of quality education;
- ◆ to monitor and review school rules and conduct, the safety programs, the educational programs; learning materials, equipment and the school building;
- ◆ to educate parents;
- ◆ to advocate equal educational opportunities for all students;
- ◆ to liaise with other education partners and organizations; and
- ◆ to provide methods to resolve problems between the school and community by directing parents and students to the Advocacy project.

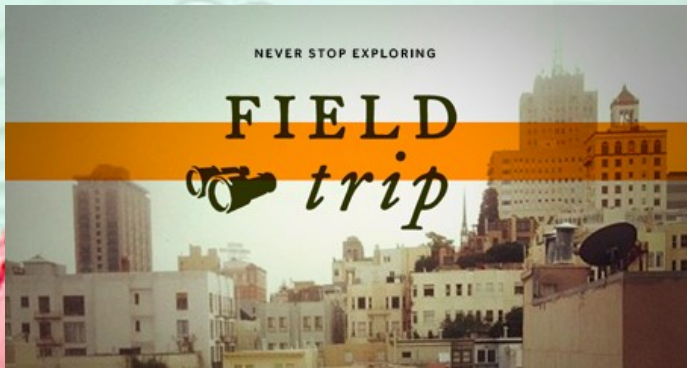

Your Involvement! — Parents are encouraged and invited to bring forth issues, suggestions, or concerns relating to the meeting and enhancement of the needs of your school community.

These issues can be brought forth by contacting a PAC executive member, sending a letter to the school addressed to a member of the PAC executive, or attending a PAC meeting.

Contact PAC please email: Din Banwait drbanwait@hotmail.com

****The PAC is NOT a forum to discuss individual students and/or staff problems or conflicts****

Next PAC meeting is TBA

A FEW OF THE FIELD TRIPS THAT WERE ABLE TO BE TAKEN THIS YEAR!

Mme. Williams' French 12 students thoroughly enjoyed learning en français about the history and making of macarons at Bon Macaron Pâtisserie in Vancouver. Merci à Leesha Nikkanen for helping supervise! Nous nous sommes amusés beaucoup!

Six business-minded Q.E.S.S. students were invited to attend the Surrey Board of Trade's bus tour with local business owners, investors and stakeholders.

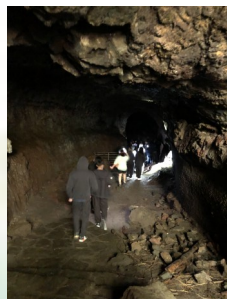

Students visited three local companies and learned about local demographics and business etiquette. The business owners and our hosts were impressed with the students' maturity and inquisitive questions. The students also had an enjoyable time learning about signage, machinist work, and visiting a dairy farm

Indigenous Family of Schools

This week we gathered with our Indigenous families at QE and our feeder schools to celebrate spring. We had about 50 people come out for a delicious BBQ and some

community building. Families participated in a scavenger hunt, sprinting around the school and competing in various group selfies. Families then enjoyed a meal together, and finished with rock painting and lawn games. We thank everyone who came out or supported this event in some way. In particular, thanks to our volunteers who helped set up, run activities, and clean up!
