QE ROYALS — Home of the “Royal” Bengal Tigers!

October 2023

Issue #1

Well, it’s been a month since I got here and I have said that of the 6 schools that I have been an administrator at, Queen Elizabeth is proving to be a special place. The students have been wonderful and full of energy and enthusiasm. The parents that I have met are genuinely happy to have their children attend our wonderful school. And let’s not forget our staff – this is one of the most dedicated staff that I have worked with – you could see as they won the Family Feud (although, we are teaching Mr. Klein some geography lessons for the future).

September and October have been a bit busy. We observed a couple of very important events – Our Grade 8 Day where we showed our Grade 8s what being a Royal truly means for their school journey. We also had our students take part in the Terry Fox Run and Orange Shirt Day. Both of these events have very significant meaning behind them, and teachers have spent time discussing the significance of these days and there have been classroom activities/learning to support as well.

We have also begun to practice our different safety drills (fire, earthquake and lockdown) and students are doing a great job! Please be sure to talk with your child about what they learned to do in these emergency situations.

As we look forward to November, we will have our Remembrance Day ceremonies on November 9th. To make this occasion, we will have a ceremony commemorating the armed forces that fought for our freedoms in the many wars that we have endured in our history.

We are committed to ensuring that students receive regular and meaningful feedback on their progress and that parents/caregivers are informed about their child’s progress. Over the course of the school year, students and parents/caregivers can expect the following informal and formal communication and reporting to occur:

- Interim Reports (early intervention)
- Term Report Cards
- Core Competency Self-Assessments/Goal Setting
- Parent-Teacher Conferencing
- Final Report Card

For our Grade 8s and 9s, we have moved to proficiency grading so students in Grade 8/9 will not receive grades on their November report cards.

Much like in previous grades (K-7), we will be using the following proficiency scales for updating you on your child’s progress Below is a diagram that explains the meaning of each of the proficiency levels (Emerging, Developing, Proficient, Extending).

QE ROYALS — Home of the “Royal” Bengal Tigers!

Proficiency Scale	Emerging	Developing	Proficient	Extending
	<i>I can show an initial understanding of concepts and competencies.</i>	<i>I have a partial understanding of concepts and competencies.</i>	<i>I have a complete understanding of competencies and relevant content.</i>	<i>I have a sophisticated understanding of relevant concepts and competencies.</i>
I am beginning to understand a few of the concepts and competencies.	I am starting to understand the concepts and competencies.	I can consistently and clearly demonstrate understanding and of concepts and competencies (skills) and apply my learning.	I can apply my understanding and skills to complex situations.	
I am just getting started.	I can demonstrate my understanding of concepts and competencies at a basic level or in familiar situations.	I got it.	I can creatively and insightfully show in-depth understanding.	
I learn best with help.	I get some of it.	I can do it on my own.	I get it and go beyond what is expected of me.	
	I am beginning to do more on my own.		I can teach it to a friend.	

The Proficiency Scale relates student learning and achievement directly to what students know, can do, and understand. It has a different meaning than traditional letter grades.

There are some key reasons for communicating learning in this way. Using a proficiency scale conveys that learning is an ongoing process. This helps to promote a growth mindset and provide a pathway for student improvement, rather than act like an end point in the learning process.

Remember that home and school communication is very important, please connect with your child’s teacher should you have any questions or concerns. Likewise, teachers will be contacting you directly if they have any concerns about progress

Thank you for a being a part of the Queen Elizabeth Community and I wish you all well as we move into the fall months.

Sincerely,

Mr. B. Ranu

Parent parking, Drop off and Pick up

Parents are asked NOT to drop off or pick up students directly in front of our school's main entrance/corridor or along King George Boulevard. For safety we ask you to move along the west side of the parking lot (past the portable) or park your vehicle in the parking lot to ensure steady flow of traffic coming off King George Boulevard.

Please do not line up on King George Boulevard, in either the slow lane and /or the curb lane, as this is obstructing traffic flow on King George Boulevard.

Also, construction has begun on condominiums behind our school along 94A avenue and 135th street. During the school days, these roads are not easily passible. If you are accustomed to dropping off your student in this area, we encourage you to drop them on the west side of Queen Elizabeth Meadows park, along 135th street instead. It is a very short walk from there to the school and if students are dropped there at 8:20am, there is plenty of time to get to class before school begins.

We thank everyone for their understanding and cooperation!!

SCENTS AND SENSITIVITY

Did you know that according to the BC Lung Association, 30% of Canadians report that scents adversely affect their health which can contribute to allergic reactions, respiratory irritations, headaches, irritability, nausea, anxiety, fatigue, depression, and etc... ???

There are thousands of products that contain chemical ingredients which provide a "pleasant" scent. They may include the following:

- | | | |
|---|--|---|
| <input type="checkbox"/> Shampoo/Conditioners | <input type="checkbox"/> Fragrances/Perfumes | <input type="checkbox"/> Industrial/Household Chemicals |
| <input type="checkbox"/> Hairsprays | <input type="checkbox"/> Cosmetics | <input type="checkbox"/> Air fresheners/Deodorizers |
| <input type="checkbox"/> Deodorants | <input type="checkbox"/> Candles | <input type="checkbox"/> Colognes/Aftershaves |
| <input type="checkbox"/> Soaps | <input type="checkbox"/> Oils | |
| <input type="checkbox"/> Lotions/Creams | <input type="checkbox"/> Potpourri | |

Unfortunately, the "pleasant" scent isn't usually the concern, but rather the chemical ingredient that produces the scent itself.

As a general guideline, only use products that:

1. Are labelled either "scent-free, unscented, or fragrance-free" and
2. Remember, your nose is a reliable resource to confirm it.

Dear Students/Parents/Guardians:

The Surrey School District has implemented the MyEducationBC (MyEdBC) Family Portal for Parents and Guardians.

The portal can be accessed at: <https://myeducation.gov.bc.ca/aspen/logon.do>

In the Portal students, parents and guardians with an account can view:

- class attendance information
- contact information
- some classroom assessment information
- student schedules
- student course requests for next year
- school information
- published report cards
- a school web page that contains resources and information for parents and students

Security

MyEdBC is a secure student information system used in most school districts in the province of BC. Security is guided by the rules and regulations of the School Act and Freedom of Information and Protection of Privacy Act (FOIPPA). If you have any questions or concerns please contact your school principal.

Log In

If you do have a MyEd Account or are unable to login, please email the school at queenelizabeth@surreyschools.ca and an account will be created for you. You will then receive an email from the SIS Admin, containing your log in (your email) and temporary password. (Please check your junk email). Please follow the attached Family Portal User Instructions for logging in and please ensure you have logged into the MyEd portal to view you child's progress.

Sincerely,

Mr. B Ranu

Principal

Queen Elizabeth's Parent Advisory Council — PAC

PLEASE JOIN US !!

The School Act gives parents the right, through a PAC (Parent Advisory Council), to assume an advisory role in every school. The PAC is the officially recognized collective voice of parents and guardians of the school. PACs are forums within each school community to discuss matters affecting their children's school and the education of these children. Parents' voices are a tremendous value to the school. They offer a wealth of ideas and support in the challenges that face all public schools. PACs strive to represent the diversity within their communities and contribute to the benefit of all students by providing opportunities to educate and inform parents about the school and openly discussing parents' concerns and aspirations for the school.

Who Can Become a Member of PAC? — All parents and guardians of students registered in the school are able to participate as a member of the PAC.

How Does a PAC Work? — Through the parents in the school, PACs communicate with their parent community gathering and discussing issues of importance regarding their school in order to adequately advise those that influence their school. In addition to monthly PAC meetings, communication may also be done through newsletters, telephone, email and websites so that all parents have the opportunity for input. PACs, with strong participation from parents, have an important influence on life at the school and the feelings the community has toward the school and education. There is strong evidence that increased parent involvement in the school results in increased student achievement, accomplishment, satisfaction, and bonding all of which result in decreased dropout rates and better citizen.

The Purpose of a PAC can be:

- ◆ to provide parents with the opportunity to gain greater understanding of the school;
- ◆ to assist the SPC in carrying out its function;
- ◆ to give input into school- based decisions;
- ◆ to participate in goal setting;
- ◆ to unify efforts of the school community towards the goal of quality education;
- ◆ to monitor and review school rules and conduct, the safety programs, the educational programs; learning materials, equipment and the school building;
- ◆ to educate parents;
- ◆ to advocate equal educational opportunities for all students;
- ◆ to liaise with other education partners and organizations; and
- ◆ to provide methods to resolve problems between the school and community by directing parents and students to the Advocacy project.

Your Involvement! — Parents are encouraged and invited to bring forth issues, suggestions, or concerns relating to the meeting and enhancement of the needs of your school community.

These issues can be brought forth by contacting a PAC executive member, sending a letter to the school addressed to a member of the PAC executive, or attending a PAC meeting.

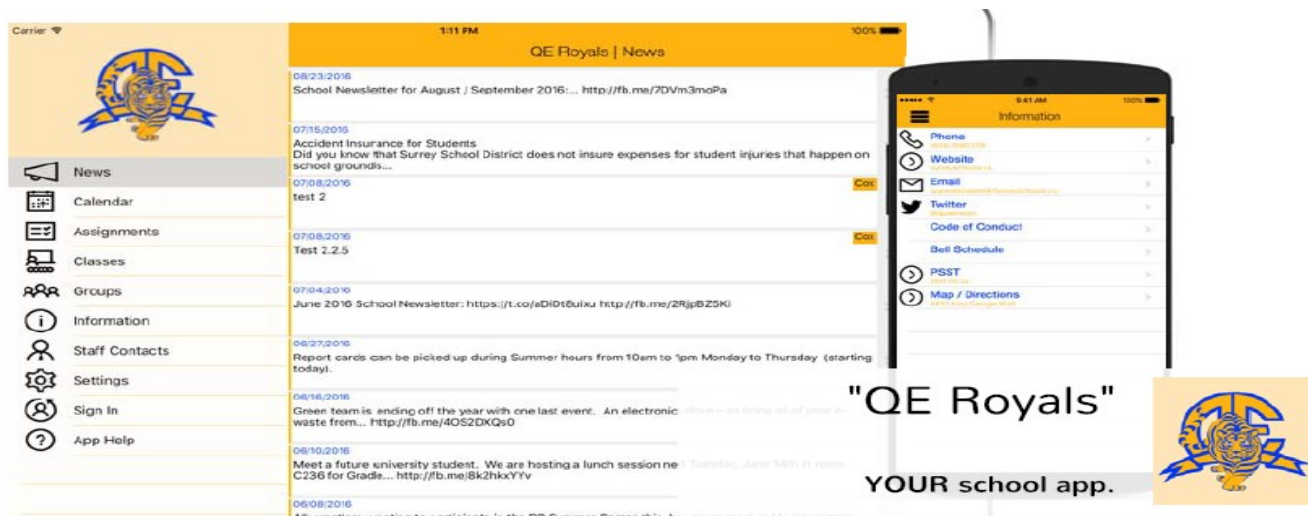

****The PAC is NOT a forum to discuss individual students and/or staff problems or conflicts****

Next PAC meeting is TBA
