SPORTS

- ★ **Ball Hockey**—There is a ball hockey meeting for all grades tomorrow at lunch in the small gym.

EVENTS

- ★ Those pastel outfits are looking wonderful for the first day of Spring Spirit Week! Join us in the HUB at lunch for free cookies and lemonade--let's kick off this week with some sweet treats and school spirit. Tomorrow is twin day so find your twin and join us for Twin Olympics at lunch. Start planning your outfits and partnerships today for a fun-filled twin-spirited day tomorrow!
- ★ Today's Global Issues Woman in History is Grace Hopper. She was an American computer scientist and mathematician, and she made significant contributions to the field of computing in 1952. She played a pivotal role in the development of early programming languages and was a pioneer in computer science. Hopper's work laid the groundwork for modern computing and her legacy continues to inspire future generations of technologists and innovators. To see more women in history, check out our timeline located at the entrance of the new building.

CAFETERIA

- ★ The specials today are:
 - Red Thai Curry Chicken Bowl
 - Grilled Cheese
 - Tomato Sauce Lasagna
