### PRINCIPAL'S MESSAGE

Welcome to the start of the 2025-2026 school year. I hope you all had a restful summer which included time with your loved ones and doing things that bring you joy. September is always an exciting time as we look forward to a new year full of opportunities and learning. Welcome back to our returning Cougars and a most sincere welcome to our new Enver Creek students! Our school staff are excited to be back and to work and learn with you. On a personal note, I would like to thank the Enver Creek community for their continuous support, and I look forward to working alongside our staff, students, families, and the PAC again this year.

Typically, at this time of the year families and students have many questions. Please be assured your child will be coming into a safe, caring and passionate Enver Creek environment. You can always contact us at the school through a phone call, email or please come in and make an appointment to speak with us in person. As we reach out with this newsletter, we hope to communicate the information that is necessary to get the school year started off positively. I hope you can find time as a family to read and discuss the information that is relevant to your child(ren). Please download the Enver Creek App for up-to-date notifications.

At Enver Creek we are committed to providing rich, deep learning opportunities that develop the young people in our community as a whole: intellectually, socially and emotionally. To our students, I remind you that learning is an active, continuous process. Approach your daily learning with a positive mindset and attitude and I know our staff will be here to support you. To our parents and guardians, learning is a collaborative process which includes support from both the school and home. Please continue to stay connected and communicate with us at the school. Working together will provide the best opportunities for your children. I am confident that both our students and their families are in for a great year. Go Cougars!

Sincerely,  
Ms. Tessier  
Enver Creek Principal

## **COURSE SCHEDULES ONLINE!**

Enver Creek Secondary provides student schedules and report cards through the MyEducationBC (MyEdBC) Family Portal for Parents and Guardians.

Information on accessing the Family Portal can be found on the school website

<https://www.surreyschools.ca/envercreek> under the "Resources" tab. If you already have a Family Portal Account, it will remain the same. If you are new to MyEducationBC and you have provided the school with a valid email address, that full email address will become your Login ID. After September 1, 2022, new users will receive an email from [sysadmin@MyEducationBC.ca](mailto:sysadmin@MyEducationBC.ca) with a temporary password to initialize their access to the Family Portal.

**IMPORTANT:** *Please ensure that you set up your account and make ALL password changes on a wired desktop computer and NOT on a wireless device (i.e., smartphones, iPads, laptops may NOT work).*

The Family Portal will allow you to access your child(ren)'s course schedule, report cards, attendance information and much more.

The portal can be accessed at:

<https://www.myeducation.gov.bc.ca/aspen/logon.do>

A mobile site is available at:

<https://www.myeducation.gov.bc.ca/aspen/logon.do?mobile=1>

In the Family Portal parents and guardians with an account can view:

- class attendance information
- contact information
- some classroom assessment information
- student schedules
- student course requests for next year
- school information
- published report cards
- a school web page that contains resources and information for parents and students

### **Security**

MyEdBC is a secure student information system used in most school districts in the province of BC. Security is guided by the rules and regulations of the School Act and Freedom of Information and Protection of Privacy Act (FOIPPA). If you have any questions or concerns, please contact your school principal.

Instructions for accessing the Family Portal are located on the school web page under the **Resources** tab: [MyEdBC Portal Information](#)

## **SCHOOL PHOTOS**

School Photos will be taken for all students on **Thursday, September 18, 2025** and each student will receive a School ID Card. Retakes will occur on the afternoon of Thursday, October 23, 2025.

More information can be found at <https://artona.com>

## **CAFETERIA SERVICE**

Our school has an excellent Hospitality Training program operated by our Chef. This program provides a valuable educational option for many of our students, and a convenient lunch service for students and staff. Menus are posted on the public display screens throughout the school.

Note that food service will not be available during the first 2 weeks of school.

## **STUDENT AGENDA**

The Enver Creek Student Agenda contains information vital to success at Enver Creek and is also a useful tool for planning and organizing course work, homework and other activities. Students in Grades 8 will receive a printed agenda as well as access to an electronic version via our school app, EnverCreek2Go. Students in Grades 9, 10, 11 and 12 will receive the electronic version only, but can request a printed version if desired. Please download the App.

Parents and students are encouraged to review the *Student Code of Conduct* and our *Policies and Procedures*, found in the Agenda and the Student Handbook located on our school website under "Our School >> Code of Conduct".

***We strongly advise students to leave valuable personal possessions at home (i.e., cell phones, AirPods). The school does not accept responsibility for any lost or stolen property.***

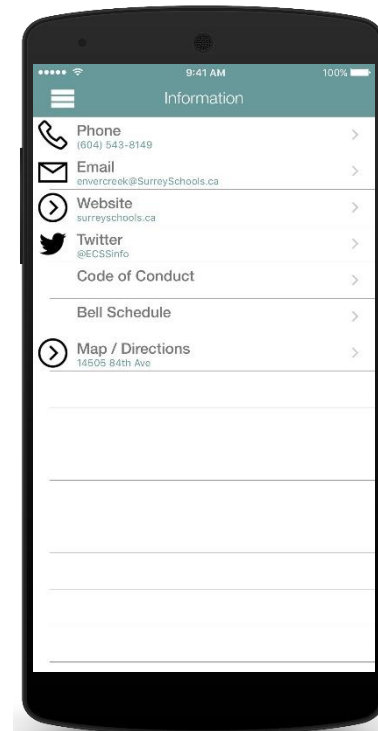

## **SCHOOL SUPPLIES**

As each student will have a different schedule and different teachers, we do not provide a list of required school supplies. If you wish to purchase some items prior to the start of school, the following are general supplies used for most classes:

- 3-ring binders (approximately 1 ½")
- Supply of loose-leaf paper
- Index dividers
- Pens, pencils, erasers

Please do not purchase a calculator until your child has spoken with their Mathematics teachers.

Teachers may have specific requirements for each class and will advise students of those items during the first week of school.

## **ENVER CREEK SECONDARY GENERAL SCHOOL FEES 2025 - 2026**

Instruction is provided free of charge to all students registered in a school's education program sufficient to meet the general requirements of graduation, and it shall provide free of charge any resource materials necessary to participate in that program. The School Act permits the charging of fees for certain items. In Surrey Secondary Schools, the following structure applies through Board Policy 9802 related to fees and any costs for students or families. Students will need to provide their own basic supplies and equipment for their own personal use such as paper, writing tools, calculators, notebooks, gym attire, sewing kits, music instruments, and some other items needed for various electives. Workbooks may be provided to students on loan, or they may be purchased for personal use. Students can also elect to purchase other support materials (professional resources including practice examinations) through their teachers. Some courses such as Textiles and Woodwork provide students with the option of using different or better-quality materials, which may be brought from home or purchased from the school at a cost. Some courses, such as AP (Advanced Placement), offer optional certifications or external examinations for which there are charges. If you wish to discuss the implications that these charges may have for your child, please contact our school administration.

## **REPLACEMENT CHARGES**

Students will be assessed a charge for lost or damaged school property (textbooks, Library books, uniforms, music instruments, etc.) Charges will be based on the replacement cost of the item. Students are expected to return the same textbook they are issued so it is important to label your text with your full name and student number and avoid lending textbooks to other students.

## **MATERIALS CONSUMED IN A COURSE**

In courses that consume materials (e.g. art, cooking, woodworking, metalwork, science, band) schools can only charge for materials or goods that are surplus to what would be necessary for the student to meet the expected outcomes in a course. If a student is going beyond the basic requirements of a course and creating projects for personal use (e.g. creating a table from mahogany rather than plywood), then the student may bring their own materials from home or the cost for the materials for these enhanced projects may be recovered through a fee.

## **FIELD TRIPS**

Students may be charged a cost for expenses such as transportation, accommodation, meals, entrance fees and equipment rentals for optional field trips, or other extracurricular outings or events. Students will not be charged fees for any field studies/field trips where attendance is mandatory as part of a course or program.

## **LOCKERS**

We have an On-Line Locker Management System. **Lockers are optional** and will be available for selection on specific dates depending on the grade of the students. Students will have the opportunity to choose their lockers until September 12<sup>th</sup>, 2025. After that time, they will have to come to the office for assistance.

Online student accounts have been created for all current students. To log in:

1. Go to locker administration web site for the school – <https://ec.lockerassignment.com/>
2. Login using your student number as the user id and your birth date as the password, in “YYYYMMDD” format. After entering your STUDENT #, you must enter your password. Your **password is your birthday**. The format of the password is YYYYMMDD, so if you were born Sept 19, 2004, your password would be 20040919
3. Select a zone of the school in which you would like to have a locker. When a zone is selected the available lockers will be listed. A locker entry that is **Green** is an empty locker, and a locker entry that is **Orange** has at least one person in the locker already.
4. Once you have selected a locker you will be shown the locker combination. You can login at any time to see your assigned locker and combination.
5. **You cannot change your locker once it is selected.**

**LOCKER AREAS:** There are 2 floors at Enver Creek. If you go to the On-Line Locker Website above, you can check out the locker areas and start to pre-plan where you may like to have a locker. *Most top lockers are even numbered, and most bottom lockers are odd numbered.*

**Dates when students can start to access the system for 2025/2026 school year:**

Grade 12: Tuesday, August 26 @ 10:00 am

Grade 11: Wednesday, August 27 @ 10:00 am

Grade 9 & 10: Thursday, August 28 @ 10:00 am

Grade 8: Tuesday September 2 during your TAG teacher

## **MEDIA COVERAGE / WEBSITE CONSENT / WEB 2.0 TOOLS**

"Media / website consent form" and the "Web 2.0 Tools consent form" will be distributed by TAG teachers and will be required for all grade 8 and new students to Enver Creek Secondary School. These forms are to be completed once at the secondary school level and will be valid until graduation, unless a new form is submitted to change consent. Please note that continuing students will receive forms when information verification is requested in October, if no form is currently on file.

All Enver Creek students will have a school email address and internet access for their educational use.

## **ATTENDANCE – LATE TO SCHOOL/MISSED CLASSES**

There is a strong relationship between good attendance and success at school. Our students are expected to be at school on time and to attend classes punctually and regularly. Students struggling with chronic tardiness and truancy will work with their teachers, Administration and guardians to come up with a collaborative solution. Often students who are driven to school are late to their first class because of congestion created when many vehicles arrive at the same time. Parents who drop off students can help by planning to arrive well before classes begin and/or dropping off their students away from the main entrance.

**If your child will be absent from school, or will be arriving late or leaving early, we ask that a parent call our office at (604) 543-8149, before 9:00am if possible. Parents/guardians may leave a voicemail on our Absentee Line if unable to call during regular office hours. Students who need to leave before the end of the school day**

**MUST sign out at the School Office, preferably with a signed note from a parent/guardian. If no note is provided, office staff will make a confirming phone call before students are dismissed.**

**For student safety reasons, we do ask that parents call the school office to make necessary arrangements should they have an emergent need to take their child(ren) out of class during the day.**

### **EXTENDED ABSENCES**

Each school year we are approached by an increasing number of parents who wish to take their child(ren) out of school for extended periods of time. Enver Creek Secondary does not sanction the absence of any student during the school year for any reason other than illness or bereavement. However, we understand that time with families is important and travel distances sometimes mean that school absences are unavoidable. Please be aware that any planned absence greater than five (5) school days requires the student to complete an Extended Absence Form and the parents must arrange to meet with the Vice Principal prior to departure to ensure a clear understanding of the academic impact of such absence and have an academic plan in place.

### **WE SHARE THE AIR ~ BE SCENT-AWARE**

Many Enver Creek students and staff members have significant allergies and sensitivities to perfumes, aftershaves and other strong fragrances.

Thank you for helping us contribute to a "SCENT SAFE" environment by refraining from wearing scented products.

### **PARKING LOT**

A reminder to please drive responsibly and slowly while in our school parking lot and around our school. We have over 1400 students, and we want them all to be safe. Parking lot congestion is a reality with the number of students we have. We do our best to keep traffic moving. Please do not wait for your children in the parking lot driving lanes. You may use our overflow parking lot (the exterior basketball court) after school. Please be patient and drop off or pick up your children well before the bell to avoid frustration and your child being late for class.

### **EXTRA-CURRICULAR ACTIVITIES - BEING INVOLVED!**

## **STUDENT CLUBS AND ACTIVITIES**

Extra-curricular activities are a valuable part of the school's education program. The School Board provides guidelines to ensure that:

- an approval process is in place for extra-curricular activities
- there is consistency in the formation and operation of extra-curricular activities
- consideration is given to the safety and well-being of students involved in extra-curricular activities

Our school is proud to offer a range of school-based structured activities for students. These include athletic activities, clubs, councils and intramurals that extend beyond normal school hours and operate under the supervision of a staff member or an approved adult supervisor.

Sports and athletic activities are competitive, individual or team activities that are sponsored by the school and governed by the Surrey Secondary Schools' Athletic Association. Clubs and councils are structured groups of students who come together on a regular basis for a specifically defined and approved purpose. Intramurals are sports activities that take place in our gym at lunch time.

We anticipate that the following extra-curricular activities may be offered during the 2025-2026 school year. The activities offered will be subject to being able to secure an approved sponsor and will be based on the level of student interest.
