

Ensure you're insured for student accidents this school year

Accidents happen, but not everything is covered by the Medical Services Plan (MSP).

The Surrey School District does not provide insurance coverage for student injuries that happen on school grounds or during school activities. Additionally, while MSP may offer limited coverage, it may not fully cover certain expenses or charges.

We encourage parents to purchase student accident insurance for injury-related costs not covered or limited under MSP or group insurance plans. These costs may include:

- Dental treatment
- Eyewear
- Rental of crutches or wheelchairs
- Splints and casts
- Physiotherapy
- Ambulance transportation
- Private tutoring and counselling

Optional student accident insurance is available through private companies and interested parents are encouraged to research which plan best suits their family's needs.

Surrey Schools has made available information on student accident insurance through [Insure my Kids](#) and [Study Insured Student Accident](#). Families have the option to voluntarily purchase coverage online through these programs or any other provider of their choice.

Annual plans range from \$17 (Silver/Lite), \$25 (Gold/Plus), to \$33 (Platinum/Premium), offering 24/7 coverage for a full year, whether at school or home. Families with three or more children qualify for a discounted rate.

For more information, please click the Parents tab on our [website](#) to view the printable Accident Insurance parent brochure (Also available in Punjabi).
