**June 6, 2025**

Ey' swayel Theresa Clarke stəqʷaθen familes,  
With the arrival of June, the end of the school year nears while excitement for our new school continues to grow.

### **Visits to Theresa Clarke Elementary stəqʷaθen**

Our Kindergarten and Grade 1 students have visited the school with several parents and family members as well. Our visits have been a great opportunity for students to see the inside of the school, to play on the playground, and to visualize their new school. Both visits have been a lot of fun. Our schedule for upcoming visits is:

Monday June 9	Grade 2
Wednesday June 11	Grade 3
Monday June 16	Grade 4
Monday June 17	Grade 5

Students will be walking to and from TCE stəqʷaθen. We will leave KB Woodward at 12:45pm and return to the school by 2:30pm. Parents and caregivers are welcome to participate.

### **Cross walk at 132<sup>nd</sup> and 109<sup>th</sup>**

We have been in contact with the city to install a crosswalk across 132<sup>nd</sup> near 109<sup>th</sup>. We will continue our efforts with the city and encourage you to advocate as well.

### **School Supplies**

Isha sent home a memo to families last week about school supplies. Our Kindergarten and Grade 1 teachers will purchase supplies for students. Parents of children in Kindergarten and Grade 1 will be able to pay \$45 using *School Cash Online*. We will send more details toward the beginning of the school year. For children in Grades 2 to 5, parents can purchase supplies from <https://schoolstart.ca/>. School supplies will be delivered to Theresa Clarke Elementary stəqʷaθen.

### **Community service providers – Before and After School Care**
