

Student Accident Insurance

Did you know . . .

The Surrey School District does not insure expenses for student injuries that happen on school grounds or during school activities?

You are responsible for these expenses as a parent or guardian.

It's recommended that parents consider student accident insurance to cover school injuries. Several companies offer inexpensive accident insurance and you can choose a plan that best suits your family's individual needs.

For convenience the Surrey School District and your District Parent Advisory Council have made available information on student accident Insurance through Insure my Kids and Study Insured Student Accident insurance program.

Insuremykids® and Study Insured student accident insurance offer protection against the potentially high costs of serious injury from unexpected accidents and is especially valuable for families who:

- do not have medical or dental plans,
- have limited plans, as it may help supplement health and dental benefits, or
- have active children who enjoy sports and outdoor activities.

Accidents can, and do, happen

Both of these programs have a selection of plans to suit most budgets. Benefits include coverage for:

- A full year (September to September), 24 hours a day, whether at school or at home.
- Expenses such as ambulance, physiotherapy, private tutoring, counselling, and much more that are limited or not covered by private or group insurance plans, or provincial health plans.
- Injury-related dental treatment.
- Out-of-province or country emergency medical expenses.

If you change your address during the school year, your student accident insurance plan is transferable from school to school, anywhere in Canada.

Insurance premiums range from \$17.00 to \$33.00 per year, depending on the plan selected, and your child is covered all the time, not just while at school. A discounted premium is available for families with three or more children.

The insurance agreement will be between you and the insurance provider you choose. Student accident insurance becomes effective on the date the enrolment application and payment are received by the insurance carrier. We encourage you to explore all options to determine what's best for you.
