

ROBOTICS CLASSES

CLOVERDALE ROBOTICS

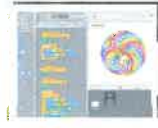

After School Program: Robotics, Coding & Digital Arts

Level 0: From Gr1 to Gr4★

Robotics: Their Introduction to the World of Robots. Fun, Play Based Approach with kids building robots or programming robots. New Set of Robots each month.

Coding & Digital Arts: Learn fundamental computer programming with Scratch using a fun, interactive approach. Kids develop problem-solving, logical thinking, and creativity and lay the foundation for further learning. The purpose of digital arts is to identify students with creative and imaginative abilities and lead them to a path of using digital tools to express their imagination.

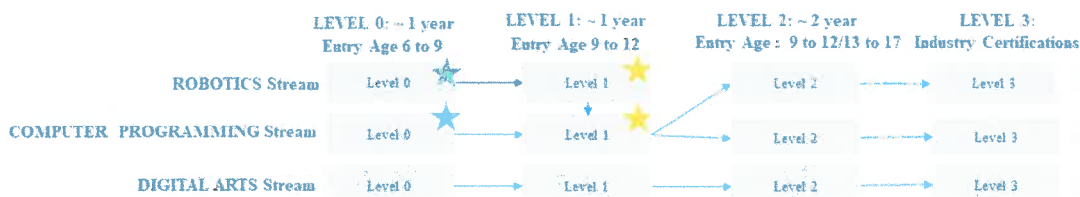

School Dismissal/2:30 pm to 4:15 pm
(Robotics): \$99/month

School Dismissal/2:30 pm to 5:00 pm (Robotics, Coding & Digital Arts): \$159/month
