

Foundations Program (through the Welcome Centre)

Description:

The Foundations Program at the Welcome Centre is intended to support older adults or parents who wish to attain their high school completion whose first language is not English and require settlement support. The Literacy Foundations curriculum and settlement support from the Welcome Centre staff address the needs of adult students who have significant skill and knowledge gaps, and who need to upgrade skills to be successful in Canada. Students are assessed prior to registering for a class to determine their level of English. The Foundations Program (through the Welcome Centre) is developed and implemented by the Surrey Schools Welcome Centre and Adult Education and offered at the Welcome Centre and in South Surrey.
