Literacy Courses

Literacy Foundation courses

If you're an English language learner, we're here to help.

The Literacy Foundation program is a great option for students who wish to attain their high school completion and whose first language is not English.

The Literacy Foundation curriculum addresses the needs of adult students who have significant skill and knowledge gaps and who need to upgrade skills to be successful at the Grade 10, 11 and 12 courses leading to graduation.

New students are assessed prior to registering for a class to determine their level of English.

[Literacy Foundation courses](#) are offered in:

- Computer studies
- English
- Math
- Science
- Social studies

Day and evening classes are available at the [Invergarry Adult Education Centre](#).

Foundations of Literacy is formerly the English Language Development and Adult Basic Education programs.

High School Completion

It's never too late to complete high school. Surrey Schools offers a variety of options for students of all ages to complete secondary school or its equivalent and to meet their individual needs. Students can take academic courses to:

- Complete the requirements for a BC Adult or High School Completion Diploma
- Meet post-secondary entrance requirements
- Spend extra time on a difficult course
- Improve marks or repeat a failed course

Contact your nearest adult education centre or Surrey Academy of Innovative Learning for more information.

High School Completion programs

Graduation diplomas

• Dogwood Diploma

Students who graduate from regular high school receive a Dogwood diploma. This may be a viable option for students who are just a few credits short of graduation. An advisor can assist with determining which classes to choose for the 2023 graduation program. Visit link [2023 BC Grad Program Policy Guide \(gov.bc.ca\)](#) Refer to p.15-16.

• Adult Graduation Diploma

The Adult Dogwood is a fast, efficient route to graduation and readiness for post-secondary education or the workplace. Students must be 18 or older. Visit link [2023 BC Grad Program Policy Guide \(gov.bc.ca\)](#) Refer to p.16-17. [Certificates of Graduation](#)
