Course: Spanish 11

Course Format: Online, Asynchronous

Credits: 4

Description: SAIL follows a Spanish language-learning program called [*Descubre*](#) that is continuous for all grades. The program uses a context-centered approach to language proficiency, where all four language components; Listening, Speaking, Reading and Writing, are fully incorporated. The program immerses students in authentic Spanish language and culture experiences through text, video, audio, and online learning. *Descubre 2A* allows learners to navigate their surroundings as they build on the vocabulary and essential language structures from Spanish 10. Themes covered include:

- Health and medical terms, Parts of the body, Symptoms and medical conditions, Health professions
- Home electronics, Computers and the Internet, The car and its accessories
- Parts of a house, Household chores, Table settings
- Nature, The environment, Recycling and conservation

Prerequisites: Spanish 10 or Spanish 11 Introductory

Resources: Access to the *Descubre* program is provided
