

## Downloading eBooks (Destiny Discover App only)

Search, check out, read, and download Follett eBooks and digital Audiobooks within the app.

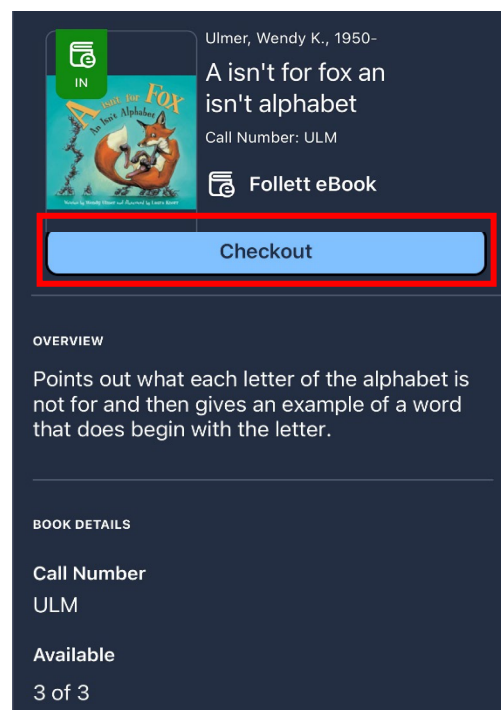

**App Compatibility:** iOS 13.0 or later / Android 8.0 and up.

1. Download and install the app.
2. Open the app and select your **location** (province) and **school name**. Click **Continue**.
3. A pop-up window requesting authorization to sign in will appear. Click **Continue**.
4. Login with your personal Surrey Schools account username and password.

*(For password help, please talk to your **Teacher Librarian**.)*

5. Browse to select a book or use **Search** to find a specific item.
6. **Checkout** the desired book.
7. Go to **Downloads** and click the **Download Now** button for the book. Once finished, click on the  icon for the title to either **Open** the eBook or **Remove** the download from your device. (The item will remain in your checkouts until it is due.)

**Remember to Log Out on shared devices.**
