

## A.H.P Matthew Parent Advisory Council (PAC)

### The Purpose of PAC:

- To discuss parents' views and provide input/feedback about our school programs, activities, goals.
- To work collaboratively with school staff to enhance our children's education.
- To raise funds to support school goals and provide equal opportunity.

### Why do we Fundraise?

Fundraising efforts help ensure there are adequate funds to support our staff and students. Fundraisers help to offset the costs of extra classroom supplies, fieldtrips, gym equipment and much more.

### How to Get Involved:

Parents are encouraged to stay up to date by attending PAC meetings and/or following us on Facebook.

**Please join us for our next PAC meeting on February 21, 2023 at 7:00 pm in Library.**

### What is PAC & Who Can Join?

PACS are the recognized collective voice of parents. All Parents/Guardians of AHP Matthew students are automatically members of the PAC and are welcome to participate in PAC meetings and activities.
