

GEORGE GREENAWAY Elementary PAC Presidents Address

Date: August 28, 2026

President: Adam Knorr

To the George Greenaway community,

Let me begin by saying on behalf of your PAC committee, WELCOME BACK! I hope everyone had a wonderful summer filled with as much family time as possible!

I want to introduce myself as your new PAC President for the 2026/27 school year. I have been involved with the GGPAC since my daughter started Kindergarten in 2024, stepping in as Vice-President last year. I have lived in the Cloverdale area for 10+ years, actively involved in community programs as a Scout leader, Girl Guide helper and helping coach where I can. My daughter is now in grade 2 and I have a son entering Kindergarten, so you're stuck with me for a while! You may have seen me driving my white truck with the CN logo on the side, where I have worked for over 20 years. I am always available to chat so please feel free to stop me and say hi!

I am proud to have been voted as your PAC President for the 2026/27 school year, and I am extremely excited to work with this amazing PAC team bringing your kids the most amazing school experience possible! We are ecstatic to welcome our new Principal, Natalie Roberts and extend to her the warmest of welcomes. George Greenaway could not ask for a better person to guide this school into an exciting new phase of expansion, growth and new opportunities! I would also like to extend our thanks to our wonderful Vice-Principal Carol McClean for all the work and passion put into the school during the transition. This administration brings such a positive, infectious energy to the school and we are blessed to have them.

Your PAC committee this year is filled with members who care deeply about the George Greenaway community and are very excited to get underway with all kinds of experiences, both new and old. We are pleased to announce that Fun Fair should be returning this year with the completion of construction, as well as the Pumpkin Patch, and Winter Market! We are also bringing back events such as Art Cards, Giants games and movie nights! Our goal is simply to bring this wonderful community together, connecting parents, kids and teachers both inside of school and out.

We are absolutely open to all ideas and participation from any and all parents and welcome all to come say hello on the first day of school at our PAC tables for coffee and snacks!

Looking forward to an amazing year!

Your PAC President,

Adam Knorr
