# News and Highlights

## Terry Fox Run

On Friday, Sept. 20th, Chantrell Creek students and staff will be participating in our annual Terry Fox Run. Parents and guardians are welcome to come join us for the event!

We will have a short assembly at 1:15 pm, and then after a warm up, students will run a route around the school from 1:30-2:00 pm. The route does go off the school grounds and includes:

- Students will leave the school grounds using the back catwalk on the North side of the school. Students will turn left on 136th Street, left again on 24th Avenue and into Chantrell Creek Park. They will follow the path, cross the bridge and turn left on 137A Street. Once there, they will run on the sidewalk up to the school grounds and across the crosswalk towards the playground (or around the front of the school if they are doing a second lap).
- Parent volunteers and staff will be marshalling students along the route.
- Primary students will be buddied up with their intermediate big buddy. The big buddy will guide the younger student around the route.
- After one lap of the route, the primary students will run around the grass field, while intermediate students can continue on the route.
- Kindergarten students will only run around the grass field.

**Please let your child's teacher know if you DO NOT want your child to go on off-site route. Students will then participate on the grass field.**

Last year, our school raised close to \$5000. We hope to surpass this goal this year. Please consider donating to the Terry Fox Foundation. Here is a link to our fundraising page: <https://schools.terryfox.ca/73417>
