

## GEORGE GREENAWAY PARENT ADVISORY COUNCIL

---

### WELCOME NEW AND RETURNING PARENTS TO GEORGE GREENAWAY ELEMENTARY

All parents of children attending our school are members of the George Greenaway Parent Advisory Council (GGPAC). Several parents volunteer to sit on the Executive and Committees to guide the PAC.

The PAC usually coordinates the following throughout the school year:

- Hot Lunch (twice a month)
- School Spirit Wear
- Family Photo Night
- Cheque Drive
- Staff Appreciation Luncheon
- and others . .

Proceeds from the above PAC fundraising events provide funds for the following for our school:

- Technology
- Field Trips
- Classroom and Library supplies
- Grade 7 Celebration
- Arts Performances
- and others . . .

**PLEASE READ:** Privacy laws are very clear regarding collecting and retaining data, and we are not permitted to keep data for parents or students who have left the school. It is also a minor security issue to have parent accounts that are no longer in use. To this end we must delete the parents and students each year. ***All new and returning parents will have to create an account (you can use the same username/email) at the start of each year using the below steps.***
