ACCOUNT # FOR LABELS 001-122-3344

ACCOUNT NAME: Newton Elementary PAC

HOW: To use the system, simply bring your containers to the depot in sealed, clear bags, and enter the registered phone number into the Express kiosk. After you're prompted to select the number of bags you're dropping off, the kiosk will automatically print the same number of sticker tags. Tag each of your bags with a sticker tag and drop the bags off in the designated Express drop-off area to be counted. The Express system requires customers to use clear/transparent bags that are 70-75 litres in capacity.

WHAT: Beverage containers that can be recycled include soft drinks, juice, water, wine, coolers, spirits, milk containers and some aluminum alcohol containers ect.

CLOSET LOCATIONS:

102-7743 128 Street & 13245 72 Avenue
