PROCESS TO APPLY:

- Each high school is only able to send ONE applicant for each scholarship so apply for as many you qualify for to increase your chances of having one (or more) of your applications submitted to the District Scholarship Selection Committee.
- Your application will need to speak for itself so be mindful of what you write. Be clear, be articulate and be concise.

Each slide will contain information on each of Partners36 Scholarships available:

- Name and amount of the scholarship;
- The criteria/eligibility information required for the scholarship;
- Any attachments required to be included with the application;
- The link to the application for the scholarship. Do NOT Google any of these scholarships as there are several versions (incorrect years) and using the incorrect application is an automatic disqualification.

SUGGESTIONS FOR APPLYING:

1. Even though the "deadline" is in April, there's A LOT to read and DO. **Start NOW!** Use Spring Break to work on your applications – there's no reason to delay!
2. Remember that what you write will be what will do your talking for you. Make sure:
 - You **ANSWER THE QUESTION**;
 - The first few sentences grab the reader's attention or it may discourage them from continuing to read;
 - You write from your heart;
 - To **EDIT!! EDIT!! EDIT!!!** Check for spelling and grammar errors! Have other people read it and be open to their feedback (you've been looking at this for a while and it's easy to miss typos/errors).
 - **YOU ANSWERED THE QUESTION?!?!**
 - The number of words used to express your story, is it over the maximum limit allotted? If so, edit, edit, edit!!!
3. Do you have reference letters to submit? If not, ask the appropriate person(s) (stated in the instructions of the scholarship) **NOW** if they could write one for you. Do **NOT** ask for a reference letter days before you need it; give your referee at least two to three weeks to compose it and send it to you as a PDF file. Ensure you (and they) follow the instructions provided regarding:
 - What information the letter should contain; it must confirm and support your involvement regarding the "specified criteria"; tell them what the scholarship is about;
 - What the letter should include (signature and on letterhead);
 - Their letters should be addressed to "the Members of the Partners36 Scholarship Selection Committee".
 - **NOTE:** A Teacher who is a school coach CANNOT write a community letter unless that teacher coached you on a community team.

Don't hesitate to ask questions but read everything first!

Submit applications to Ms. Crocker electronically, "save" each scholarship application submission (with all of its components minus your Diploma Verification) as a PDF file with the following file name: Scholarship Name – Your Last Name, Your First Name – 045.
