

# COURSE PLANNING 2024-2025

Current Grade 10 and 11  
students

Going into Grade 11 and 12

# Timeline for Course Planning

- ▶ **Feb. 1:** Course planning information letter emailed home.
- ▶ **Feb. 5-15:** Grade 10/11 Course Planning Assemblies
- ▶ Parents/students review course planning information using [Learning Guide](#) and NSS [Website](#).
- ▶ Use the **Course Planning Tool**.
- ▶ **Feb. 12-20 Counsellors visit Gr. 10 and 11 classes**
- ▶ **Feb. 26: Deadline** to complete Course Selection in MyEdBC for current Grade 8-11 students.

# Course Selection is Complex

- Important to understand the reason behind why you are picking a course in order to get the most out of your time at North Surrey
  
- **Key ideas to help guide your decisions:**
  1. Meet Ministry of Education Graduation Requirements
  2. Consider plans after you leave North Surrey
  3. Be open to exploring, trying new things

# GRADUATION PROGRAM REQUIREMENTS

80 CREDITS min. (Gr. 10, 11,12) Each course = 4 credits

## GRADE 10

English 10 (options)

Science 10

Math 10 (options)

Social Studies 10

Physical Health Ed 10

Career Life Ed

Elective

Elective

## GRADE 11

English 11 (options)

Science 11 (options)

Math 11 (options)

Socials 11 or 12  
(options)

Elective or CLC

Elective

Elective

Elective

## GRADE 12

English Studies 12

Elective 12 or Socials 11/12

Elective 12

Elective 12

Elective

Elective

Elective

Elective or Career Life Connections

Note: Must have a minimum of 4  
Grade 12 Level Courses

**Required Provincial Assessments:**

**Numeracy and Literacy 10 and Literacy 12**

**Indigenous Grad Requirement also needed**

# Indigenous Grad Requirement

Effective the 2023/24 school year, all students must successfully complete a minimum of 1 (4 credits) course in Indigenous-focused coursework. There is no change to the total number of credits required to graduate, which remains at 80.

## WHAT DOES THIS MEAN?

At North Surrey, students can satisfy this requirement by choosing at least one of the following courses:

**BC First Peoples 12** (in Gr. 11 or 12 which also satisfies Socials 12 requirement)

**English First Peoples 12** in grade 12 (replaces English Studies 12)

# Plans after North Surrey

What is  
best for  
me?

- Travel
- Work
- College
- College to University
- Direct entrance to university

What else  
is going on  
in my life --  
balance is  
important?

- Part-time job
- Sports, commitments
- Club involvement
- Personal concerns

# Education is a journey: Use this Time to EXPLORE

Grade 10 -12 is a 3-year plan of discovery

- Take classes which are interesting to you
- Ask yourself why you liked/disliked a course
- Talk with family members, teachers, coaches and ask them how they got to where they are

## Consider that:

Fulfilling work is found at the intersection of what you:

- ❖ love doing
- ❖ are naturally talented at
- ❖ care about and value

*Let these points guide your decision making*

# Post-Secondary Considerations

- ▶ Post Secondary Schools have their OWN course requirements depending on what you want to study
- ▶ It is YOUR responsibility to do research on this and it can be time consuming and overwhelming

# Navigating Post-Secondary Websites

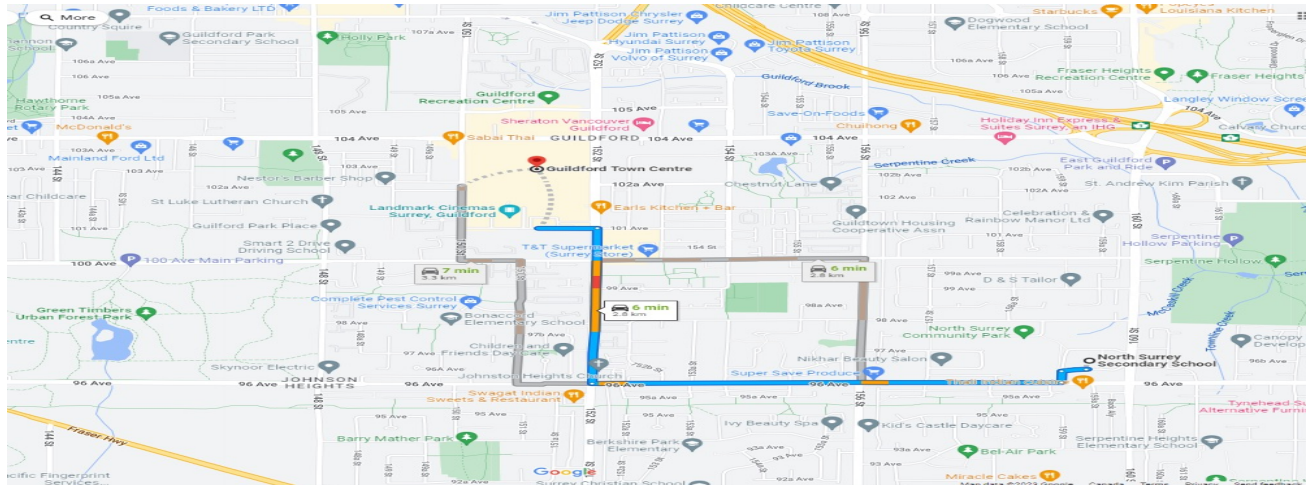

- Explore [www.educationplannerbc.ca](http://www.educationplannerbc.ca) and <https://myblueprint.ca/>
- Google the Post-Secondary Institution of your choice
- Follow the link to *Admission* - it may state undergraduate admission, future students, or something similar
- There will be General Admission requirements and program (faculty) specific requirements....check both
- Other helpful search terms:
  - Information sessions; Online drop-in
  - Academic Advising at the institution
  - Virtual Tours
  - Contacts -- send an email
  - If you are having difficulty, please see your counsellor - they can help

# CONSIDER:

Direct transition from Highschool to University is intense;

You may wish to consider attending institutions that offer university transfer credits such as KPU, Douglas, Langara, UFV

There is more than 1 way to get to a destination

## Options for Career Life Connections (CLC)

### **Requirement:**

**Choose one Career Life Connections (CLC) during  
Grade 11 or 12**

- **CLC – General**
- **CLC – Business & Information Technology Passion**
- **CLC – Band Passion 11 (alternates with Band 11)**
- **CLC – Performing Arts Passion**

# Choosing the Math course that is right for you:

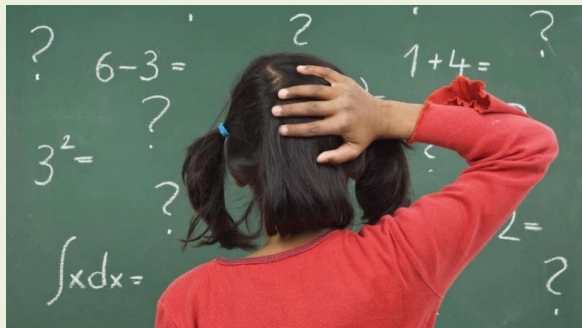

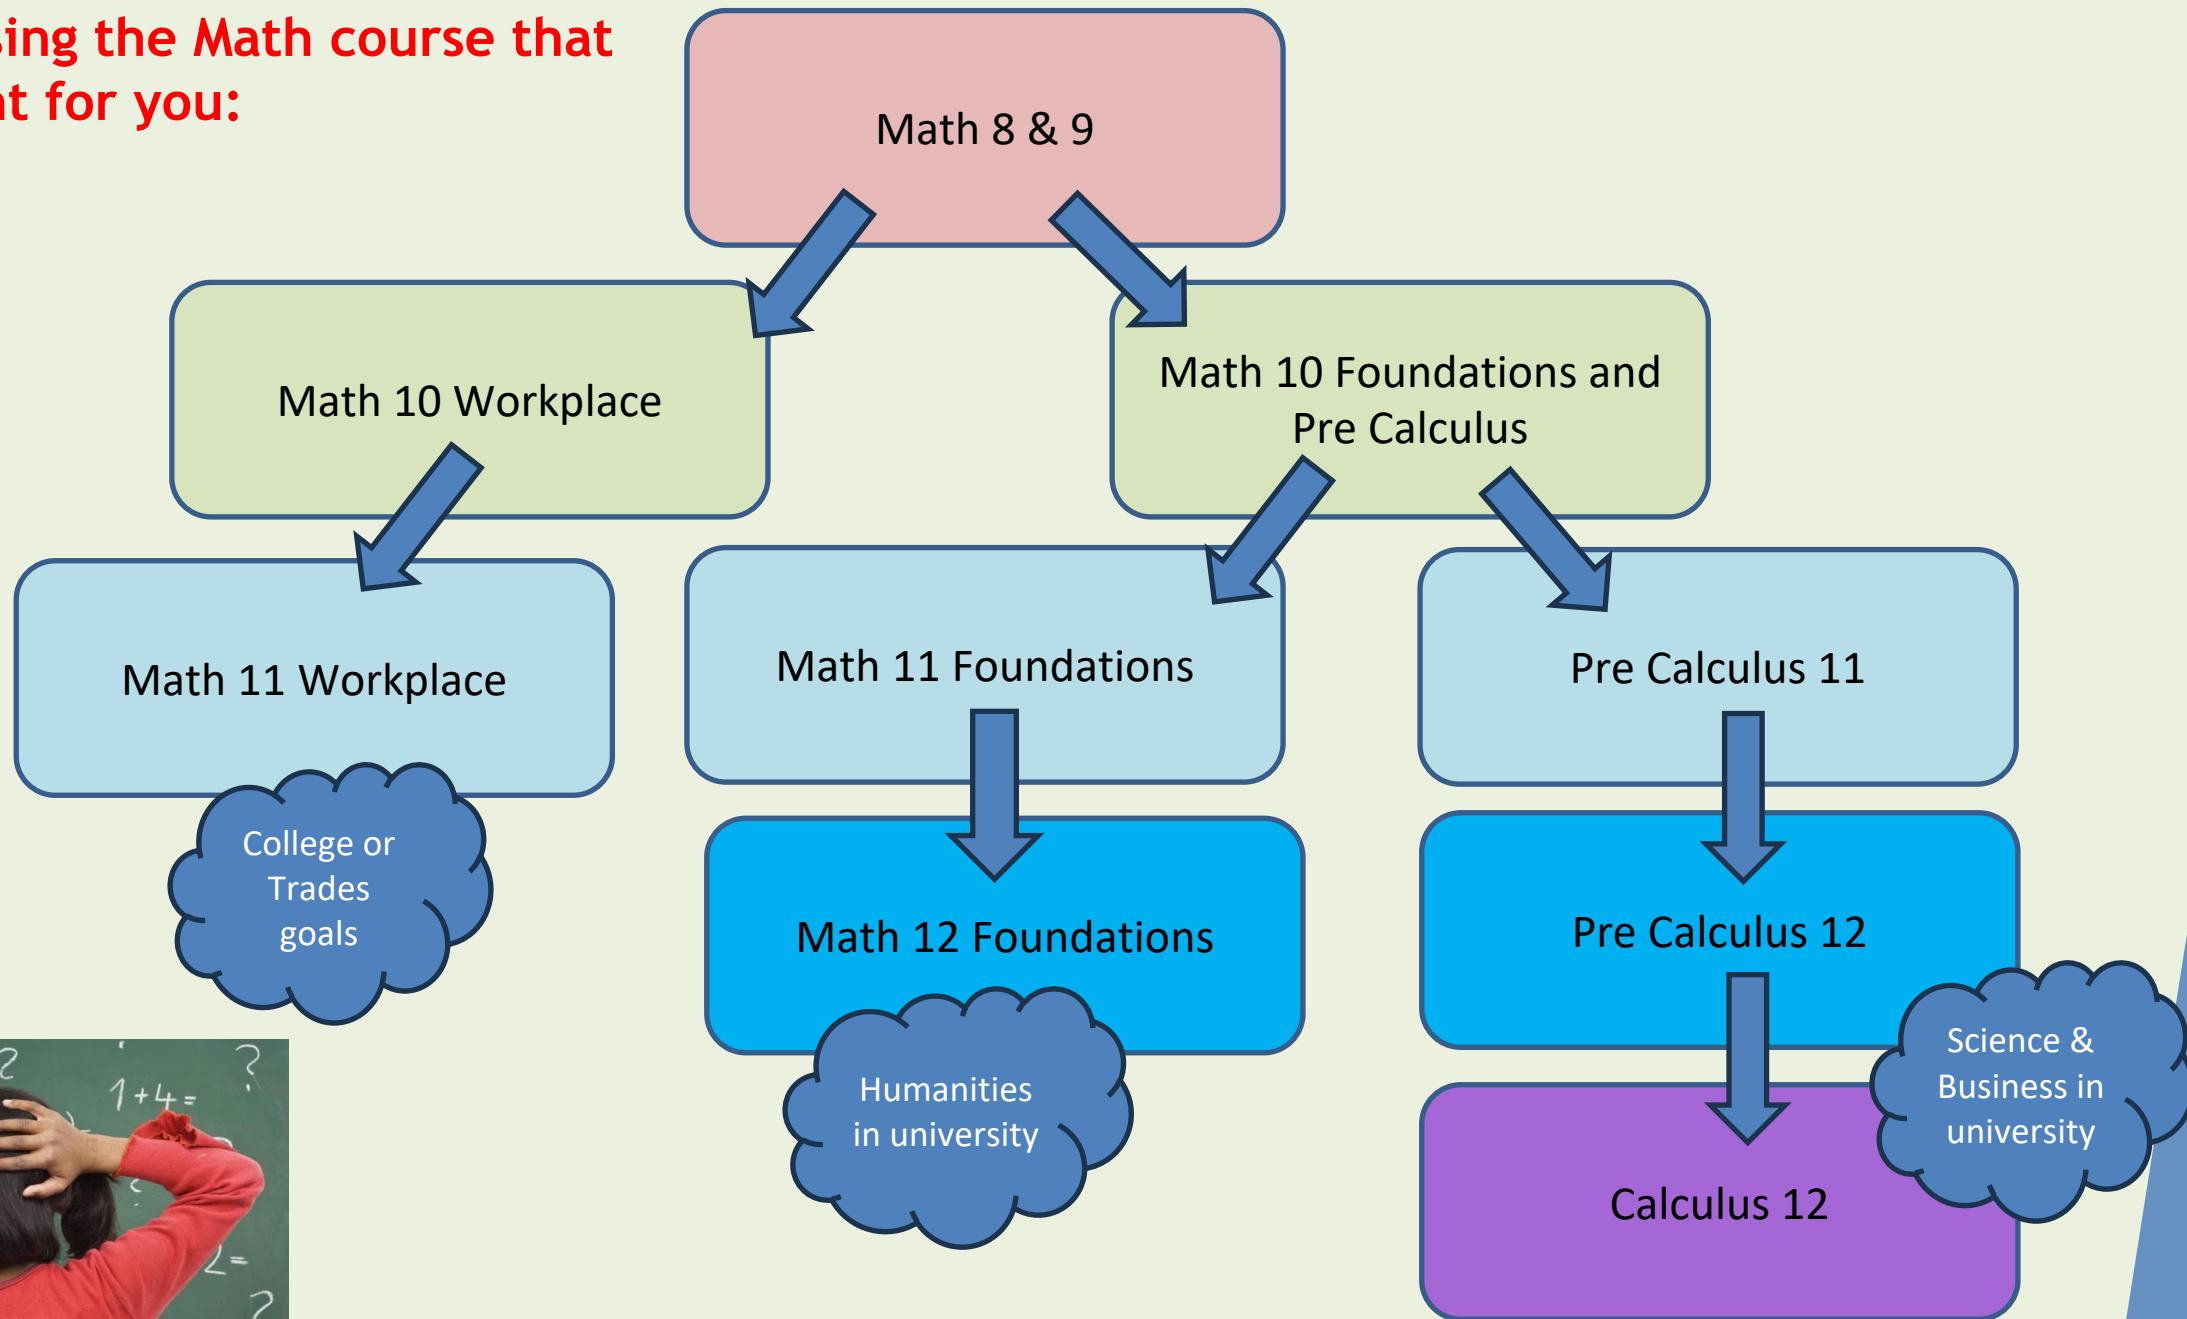

There are 3 senior Math courses offered:

- *Math Foundations*
  - For students interested in University studies
- *Pre-Calculus*
  - For students interested in University studies
- *Math Workplace*
  - Designed for entry into many college/trades programs and the workplace

Consider the following:

- If you have math **this semester**, talk with your teacher & heed their recommendation.
- If you have math **next semester**, talk to your teacher from last year or refer to your experience in previous math class.
- If you are in Workplace Math 10, you will take Workplace Math 11.

# Choosing the Math course that is right for you:

# Language Courses

You **do not** need a Language course to graduate.

Research institutions you're interested in attending for Grade 11 and 12 Language requirements. Check if an Intro 11 Language is approved for admission??

Verify whether universities require a Language 12 or a university equivalent to complete a degree in Arts.

# Audition Courses

(9th course before or after school)

Students may also select a 9th additional course in the following areas. These courses take place before or after school:

- Jazz Band
- Polaris (Choir)
- Theatre Company
- Dance Company
- Leadership 12

Listen to announcements for auditions taking place in the spring. Auditions will determine final class rosters. If you are accepted, the course will be added to your schedule.

# New Offerings

- Environmental Science 11, see the Learning Guide for details or talk to your science teacher
- PHE 10(non competitive), see the Learning Guide or speak to your teacher
- PHE 10-12 (basketball), see the Learning Guide or speak to Mr. Denson
- First Peoples Foods and Textiles, see the Learning Guide for details or talk to Ms. Kokoszka
- Did you know that Economic Theory 12 fulfills your senior Socials requirement for graduation? Talk to Ms. Schutz

## Helpful Resources:

- ▶ Talk to teachers who teach the class to get more information.
- ▶ Read the NSS [Learning Guide](#) to get a sense of what courses are about.
- ▶ **SEE THESE 2 EXAMPLES FROM THE LEARNING GUIDE:**

# Accounting 11

---

Thinking of going into Business? This entry-level accounting course is a must have for any student considering a career in Business.

Students will learn the fundamentals of accounting, basic book-keeping concepts, Excel and accounting software. Whether you are going to run your own business or simply balance a cheque book, this course is for you!

Note: This course is open to both grade 11 and 12 students.

---

# Life Sciences 11

**You should take this class if you:**

- Enjoyed biology in science 8 - 10
- Enjoy labs, projects and dissections
- Have good study habits
- Will be taking 1st year post-secondary biology classes

**We will learn about:**

- Cell structure and function
- Evolution
- Taxonomy – Classifying and naming systems for organisms
- How all organisms are categorized into the 6 kingdoms of life

# Deadline for Applications is **March 1, 2024**

## Visit Career Centre

### District Partnership • Programs

The following programs are offered with the Surrey District

- Auto Collision and Refinishing
- Automotive Service Technician
- Baking and Pastry Arts
- Carpentry
- Construction Craft Worker (Grade 12 ONLY)
- Culinary Arts
- Drafting / CADD
- Early Childhood Education (ECE Program)
- Electrician
- Explorations in Aviation – At NSS!
- Hairstylist
- Headstart in Art
- Heavy Mechanical Trades
- Horticulture
- Metal Fabrication
- Millwright
- Nursing Prep
- Painter
- Piping (Plumbing)
- Tah-tul-ut Indigenous Education Pathway
- Welding

# Dual Credit Courses

**The following dual credit courses are offered in partnership with the Surrey School District**

**Available  
to students  
in grade 11  
only!**

- **Community and Public Safety** (Nicola Valley Institute of Technology) - for students interested in a career in Law Enforcement
- **Intro to Legal Office Procedures** (Kwantlen Polytechnic University) - for students interested in a career in Law
- **Intro to Practice for Child and Youth Care Counsellors** (Douglas College) - for students interested in pursuing a career as a Youth Care Worker or Counsellor
- **Intro to Health Sciences** (Kwantlen Polytechnic University) - for students interested in pursuing a career in Health Sciences
- **Graphic Design** (Simon Fraser University) - for students interested in a career in interactive arts and technology

**Interested  
? Come to  
the Career  
Centre!**

# There are Other Ways to Get Credits

- Take a course during Summer School or Online.
- Submit documentation to counsellor for:
  - courses completed outside of the district, province or country
  - completed external credits - i.e. sports, music, dance, lifesaving, driver's education (ICBC).

*Please see your counsellor if any of these apply to you, or if you have any questions regarding external credits*

# Summer School

- ▶ If you do not meet the learning outcomes of a core academic course, it's recommended that you speak with your counsellor to review options. One option may be summer school.
- ▶ NOTE: Summer school is a **BIG** decision because it condenses 5 months of school work into 5 weeks.
- ▶ When entering course requests in MYED PLEASE indicate in the Counsellor's Notes section if you are planning on taking a course in summer school and what course you would want it to replace in your schedule

# Online Courses

You may choose to cross enroll with an online school to take an additional course to advance ahead, or to take a course that you may not have in your schedule.

Please consider the following characteristics of what a successful online learner looks like:

- Independent learner
- Self-motivated
- Skilled with written communication
- Able to set a schedule and keep it
- Able to meet deadlines

When entering course requests in MYED PLEASE indicate in the Counsellor's Notes section if you are planning on taking a course online and what course you would want it to replace in your schedule

# Frequently Asked Questions

## 1. Can I take all academic classes?

- ▶ We recommend you balance your schedule with academic and elective courses
- ▶ Keep in mind if you are looking for top marks, you only have so much time to complete homework and so this has to be something you think about - is it better to take less “hard” courses and do well as opposed to take everything but get lower marks as a result

## 2. What do I do if my marks aren't high enough for the program entry?

- ▶ Apply to multiple programs that have different entry requirements
- ▶ Ask yourself, “Am I ready for this program”
- ▶ Colleges have many prerequisite courses and so you can start your program of study there and transfer at a later date.

## FAQ's continued...

### 3. Can I drop a class after a month if I don't like it or don't like the mark I am getting?

- ▶ It is ok to take a course that you are not interested in or ends up not being what you thought it would be
- ▶ Focus on doing the best you can
- ▶ You may be learning what you don't want to do in the future - crossing things off the list of potential job/careers helps narrow things down
- ▶ Focus on some other skill/knowledge you can take out of the class (i.e. public speaking skills, computer skills, perseverance, working in a group, etc.)
- ▶ Universities have started to focus more on the marks students get in the COURSES in the field you are applying for rather than a total GPA approach

## FAQ's continued...

4. Do I need to take EVERY science 11 and science 12 for post-secondary?

- ▶ No, check admission requirements for each post-secondary

5. How do I know what math to take?

- ▶ You need to consider your ability level (how have you done in Math up until now) AND your work habits
- ▶ Check with your teacher to see what he/she would recommend
- ▶ Consider future plans of study and prerequisites required (note taking a class because it is “needed for a career path” shouldn’t supersede ability and work ethic)

6. If I have 60% in Pre-Calculus 11, will I be successful in Pre-Calculus 12? (I plan to work harder and get a tutor)

- ▶ It is not uncommon to drop 10-15%; *Discuss* with your math teacher if they feel you will be successful in Gr. 12 *and* be *open* to their feedback - your teacher is the expert in the curriculum and knows your ability (even despite your effort)

# FAQ's continued...

7. Can I go to university having only completed Foundations of Math 11?

➤ Yes, but check requirements of each institution and each faculty

7. If I go to summer school or take a course online, can I get ahead the following year?

▶ There is NO guarantee a student can take a class that is a year above their grade level because priorities go to the students in that grade. If you take a summer school course, please be prepared to take an elective course in place of the course you requested if there is no space in it

8. Can I choose my teacher or my block order?

▶ No, the computer generates your schedule - counsellors do their best to review each schedule and balance WHERE POSSIBLE

# Please Know:

- Unfortunately, due to the nature of the system there is no GUARANTEE you will get these courses.
- North Surrey tries their best to honour these REQUESTS but due to a number of factors all students may not end up with all the classes they hoped for (singletons, conflicts, offerings)
- Priority is given to: Grade a student is in, grad requirements, post-secondary requirements, balance of schedule
- If you are NOT able to get a course you NEED a counsellor will assist you in navigating options; please reach out to them

## Where do I find Course Planning Info?

- ▶ Talk to your Counsellor
- ▶ Check out the NSS website [here](#)
- ▶ Explore the [2024 Learning Guide](#)

## Do Not Forget...

- ▶ To review this PowerPoint.
- ▶ To review the course planning letter that was emailed home to parents.
- ▶ **Complete the COURSE PLANNING TOOL sheet and bring it to the Counsellor Class Visit**
- ▶ To go online into MyEdBC and enter your course selection information.

**Course Selection DEADLINE →**  
**February 26, 2024**
