Grade 12 PSI Planning

Wait ... What's a PSI?

You NEED to know:

It stands for Post Secondary Institution..... Like a college, or a university

- ► Important information: requirements/dates to apply to PSI's.
- ► What the Student Transcript Service (STS) is and why you need to use it.

First Steps to Apply ...

... and it's <u>normal to feel overwhelmed</u> by this process...

I'm stressing on this!

If you're feeling stressed with:

- applications
- self-reporting
- deadlines
- not even knowing what program to apply to ...

well, hey, you're normal!

Deep Breathe Girl! You can do it!

Talk to your Counsellor.

They're great!

What do I want to do? Where do I want to go?

What school has the cutest merch?

- See your Counsellor and visit the Careers' Office
- Check <u>postsecondarybc.ca</u>
- Check programs at educationplannerbc.ca
- Go to PSI websites for current updates
- Review admission requirements for PSI's/programs (2 or 3)
- DOUBLE CHECK that you meet the requirements!!!
- Document all PSI applications/scholarships you apply for
- You MUST register with the STS (Student
 Transcript Service)so that PSI's can receive your
 transcript.

Actually, I
think it's
more about
choosing the
best school to
help you
pursue your
passion and
dreams.

It just feels like it's just way too confusing!

Applying to PostSecondary: 2 Easy Steps

Step 1: Apply

Step 2: Send Transcript (complete STS)

No Way!

It's super easy.

Just 2 steps.

PSI Timelines

Entrance Scholarships Applications	12-1-22	12-15-22	4-30-23

It is up to you to visit the PSI websites for up to date, accurate information and deadlines. These deadlines change from year to year, and it's part of your job as an applicant to check!!

I can't possibly remember all this stuff! No one can.
That's why
keeping your
info organized
and documented
is <u>SO</u> important!

...and then there's Eastern/American PSI's

- Check out different timelines and processes:
 - For Ontario: www.ouac.on.ca
 - For Alberta: www.applyalberta.ca
- A paper or electronic (emailed) copy of your marks or interim marks may be requested.
- Generally applications are due between now and the end of January (depending on the school/program).
- For U.S. schools use "the common app." If you require a counsellor recommendation, your request must be received by <u>October 31st</u>. Late requests will not be accepted.

Wanna figure this out for me?

It's
YOUR
job to do
your own
research!

How about you and me in Tahiti? What!?!

Doing a Gap Year?

Apply to a PSI now even if you're taking a GAP year.
 If accepted, you can defer your entrance for a year.

- If you plan to travel, work, upgrade courses, you can always use STS later too.
- If you hope to upgrade marks or finish courses after this year you can still access online and summer courses for <u>free</u> up until the end of July!!!

Let UBC and SFU know this information as soon as possible!
