

# Cmolik Foundation Innovation Lab at Lena Shaw

## OPEN HOUSE

January 27, 2026  
4:00 – 6:00 p.m.

We are excited to welcome students and their families to the grand opening of the brand-new **Cmolik Foundation Innovation Lab** at Lena Shaw! This open house is a chance for parents, guardians, and community members to explore the creative, hands-on learning opportunities now available to our students.

### What to Expect

- Interactive stations where students can try out Cmolik Foundation Innovation Lab equipment
- Demonstrations showcasing robotics, design tools, coding, and more
- Learn how the space supports creativity, collaboration, and problem-solving
- Giveaways and prizes throughout the event
- Complimentary delicious food for families to enjoy while connecting with one another

Our Cmolik Foundation Innovation Lab is designed to spark curiosity, support all learners, and strengthen a sense of belonging.

**Come celebrate the creativity and innovation that make Lena Shaw such a vibrant school community and join us in thanking the Cmolik Foundation, Ocean Park Foundation and Russ Cmolik in making the Cmolik Foundation Innovation Lab possible.**
