Subject: A Special Message from Your Principal

Dear Maple Green Families,

I am writing to share some personal news with you that you may also share with your children.

After many wonderful years serving as your principal, I have made the decision to retire at the end of winter break. This decision comes after much reflection, and while I am excited for the next chapter in my life with more time for my own family, saying goodbye to this incredible community is not easy.

Serving as your principal has been one of the greatest honours of my career. Every day, I have been inspired by the curiosity and joy of our students, the dedication of our staff, and the unwavering support of our families. Together, we have built a school where children feel safe, valued, and ready to learn—and that is something I will always treasure.

In January, you will welcome a new principal, Mr. Michael Speak, who will continue the tradition of excellence and care that defines our community. I am confident that under his leadership, Maple Green will remain a place where every child can thrive.

Thank you for allowing me to be part of your children's lives and for trusting me with this important work. I will carry the memories of this community in my heart forever.

With deepest gratitude,

Jennifer Pilchak
Principal
