

Downloading eBooks (Destiny Discover App only)

Search, check out, read, and download Follett eBooks and digital Audiobooks within the **Destiny Discover** app.

App Compatibility: iOS 17.0 or later / Android 8.0 and up.

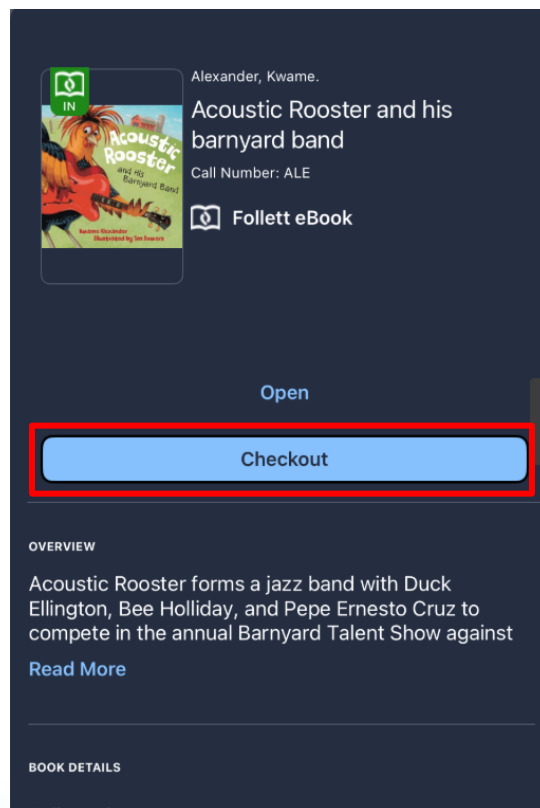

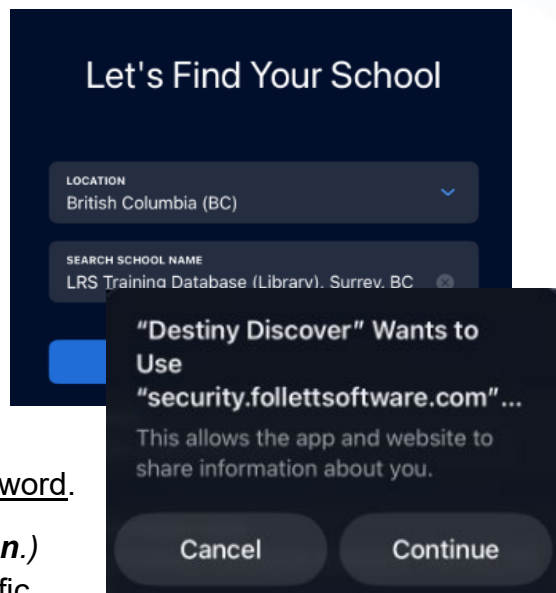

1. Download and install the **Destiny Discover** app.
2. Open the app and select your **location** (province) and **school name**. Click **Continue**.
3. A pop-up window requesting authorization to sign in will appear. Click **Continue** and then Login with your personal Surrey Schools account username and password.

*(For password help, please talk to your **Teacher Librarian**.)*

4. Browse to select a book or use **Search** to find a specific item.
5. Click **Checkout** for the desired book.
6. Go to **Downloads**. The eBook should be downloaded automatically. click on the title card to begin reading.

Note:

- Click on the  icon and select **Remove** to delete the download from your device. (The item will remain in your checkouts until it is due.)

Remember to Log Out on shared devices.
