Dry Grad is an event that takes place after the formal dinner and provides grads with an inclusive, safe, drug/alcohol-free venue to continue their graduation celebration.

While students, teacher advisors, and school administrators are the primary organizers of the formal graduation ceremony, parents alone take responsibility for organizing the Dry Grad party as well as the Boat Cruise and all transportation to and from venues. The event requires the energy and devotion of a core group of parent volunteers to fundraise, plan, organize and run. Many hands make light work, but if you don't have time to help out we invite you to donate at chsgrad2026@gmail.com
