Growing Smiles Holiday Plants Fundraiser 2026

Dear Rosemary Heights Community,

This year at Rosemary Heights Elementary, we are excited to announce our annual Growing Smiles plants, Winter fundraiser! We will be selling a variety of Holiday ready plants which are available through our team website.

Our goal is to raise: $2,000

Fundraising is always a vital part of ensuring the students have the best year possible. The money raised is used to help cover costs for programs, equipment, resources, and extra-curricular activities. This year we have committed to raising $49,000 for the replacement of over 200 tablets and laptops that were deemed obsolete by the district.

Important dates to remember:

October 27th,2026	The fundraiser begins.
November 23rd,2026	Last Day to order online.
December 10-11th,2026	Pick up date from school for orders at 2-3pm.

Browse the catalogue and order at :

rosemaryheights.growingsmilesfundraising.com

- Help us spread the word by telling neighbors, family memebers and treasured businesses about this great fundraiser!
- Pick up will be at the school in the front lobby.
- Questions? Just reach out to Pac at rosemaryheightspac@gmail.com
- Plants are supplied by Devry Greenhouses.

Thank you for your support! - Rosemary Heights Pac
