

Reading FollettShelf eBooks

The online Follett e-reader is accessible in **Destiny** from both **Back Office** and **Destiny Discover**.

Login to **Destiny** with your personal Surrey Schools account username and password.

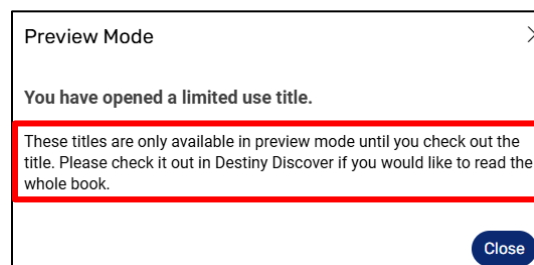

*(For password help, please talk to your **Teacher Librarian**.)*

1. Search for an eBook
2. Open and read in **Back Office**:
 - In the **Search Results** or **Title Details** page click the **Open** button.
 - The e-reader will open in a new browser tab.

Open and read in **Destiny Discover**:

- On the **Search Results** page, click the **Open** button on the title card or the **Title Preview** overlay.
- The e-reader will open within **Destiny Discover** in the same browser tab.

A **Limited Preview** warning may appear. Click **Close**. You will need to check out the eBook at the end of the preview to continue reading.

3. Use the navigation arrows to flip through the eBook.
4. When you are done reading:
 - in **Back Office** click the  button in the top left corner, or close the browser tab.
 - In **Destiny Discover** click **Close** in the top left corner.

Note: You can return eBooks early. See **Checking Out FollettShelf eBooks** for instructions.
