

COURSE PLANNING 2022-2023

Current GRADE 8s
Going into
Grade 9

A person with long dark hair, wearing a dark jacket and grey leggings with pink accents, is sitting on a dark rock. They are holding binoculars to their eyes and looking out over a vast, hilly landscape. A winding road is visible in the valley below. The background is a bright, hazy sky.

Explorations Years

Grade 8 and 9 are **Exploration Years**
at **North Surrey**

Students can explore different areas
of the curriculum to prepare them for
making choices during their
Graduation Years (grades 10-12)

Students are immersed in
Arts learning and of **Design** learning

The **Arts Learning** courses are:

- ▶ Humanities
- ▶ Languages (French, Intensive French or Spanish)
- ▶ Arts Learning or Band

The **Design Learning** courses are:

- ▶ Science
- ▶ Math
- ▶ Physical Health Education
- ▶ Design Learning

Learning in Arts and Design

Students have choices in Grade 9:

- ▶ Which language will I choose?
- ▶ Which Arts Learning course will I choose?
- ▶ Which Design Learning course will I choose?

- ▶ Make sure you are reading the course descriptions in the [Learning Guide 2022](#) to make an informed decision!

Learning Guide 2022

Please see our all-new Learning Guide to highlight the amazing opportunities for student learning each one of our departments has to offer!

IT Digital Literacy 8 (Module)

Want to improve your computer skills as you learn about Digital Literacy? Technology is continually changing in our fast-paced world. Start your high school years by exploring some of the tools available to you! Topics will include: MS Office 365, Coding, Keyboarding and our School Computer Systems.

Information Technology Department

North Surrey Secondary PE

Our Physical and Health Education (PHED) curricula develop a personalized understanding of what health is. In line with the BC Curriculum, classes are designed to have the knowledge, skills, and understandings they healthy citizens throughout their lives.

At North Surrey we offer the following courses:

- Physical and Health Education (grade 8-10)
- Physical Education Recreational and Health Lead
- Physical and Health Education Active Living 11/12
- Physical and Health Education Fitness and Conditioning 11/12

Senior Woodwork sample

Caf Culinary Arts 12

The cafeteria program is an introduction to commercial food preparation. Its primary aim is to give students practice experience and a sound background in the basic theories of quantity food preparation and production. The hands-on approach is designed to familiarize the student with the use of hand tools, equipment and machinery with an emphasis on safety, sanitation and the operational flow of a business. Students will receive instruction in making soups, sauces and desserts; and in roasting, deep frying, vegetable preparation, short order

Business Education

Careers 8 & 9

Careers 8 and 9 courses are embedded within all students' schedules. Students will explore Career activities through myBlueprint and Teams.
