Upcoming Dry Grad Meeting

- Tuesday, October 2nd, 2018 at 6:00pm in the Learning Commons
- Vote in an executive for the 2020 Grad Year
- Discuss potential fundraising for Dry Grad

PAC Funding for Dry Grad

- Depending on when funding proposals are due to the PAC, Claire will take care of handling the funding proposal on behalf of the Dry Grad Committee (start-up and annual)

Fundraising – Pub Nights

- Discussed with Sheila the idea of pub night fundraisers and talked about closest pubs in the area that host events for Clayton Heights and Lord Tweedsmuir in an attempt to tap into an area that we can foster a relationship with moving forward for Ecole Salish Secondary. I reached out to Jimmy Mac's (Port Kells) to inquire into different areas of support they might be able to assist the school with and hopefully begin to create relationships within that business area in order to not step on toes with the other Surrey Secondary Schools and they're happy to work with us with any of our fundraising endeavours
