### Principal's Message

On behalf of the entire staff of Earl Marriott Secondary, I am delighted to welcome everyone back to school. I hope that you all enjoyed a safe and relaxing summer and that you are looking forward to a year of new learning and experiences. School will be starting on **Tuesday, September 4th** with homeroom for all students at 10:30 am and an Assembly and Welcome Activities for Grade 8's beginning at 11:00 am. On **Wednesday, September 5th**, we will begin classes for Semester One at our regular start time of 8:35 am. Please check the website daily for up to date information on school opening.

This summer newsletter is full of information to help you make the return to school a positive experience. Please take the time to read it carefully as it contains schedules for our opening day and our school and district calendar. It also includes information on procedures for booking a counsellor appointment on line for timetable concerns, on line locker registration, school fees and how to access your provincial exam results. **Counsellor appointments can be accessed Friday, August 25th on line, and Locker signup begins on August 23rd for Grade 12 and continues through the week for all other grades.** School newsletters are not mailed home, but can be accessed online at [www.surreyschools.ca/schools/earlmarriott](http://www.surreyschools.ca/schools/earlmarriott). Please confirm that we have your correct contact information including a family email address so that you can receive updates throughout the year.

I would like to welcome our graduating class of 2023. Our new grade eight students are always excited about the move to secondary school, and we want you to know that we are thrilled to have you as part of Earl Marriott Secondary. You are joining a school with a tradition of personal excellence and strong commitment to school and community. If there are any questions you have about our school opening, please do not hesitate to contact us at the school. Our goal is to ensure that you have all of the information you need to make a good start.

A special welcome back to our graduating class – The Class of 2019. As the most senior students in the school, you have an important role to play in the school culture. You provide both leadership and motivation to the student body. Make this year one that you will remember for the positive experiences you had, both as an individual and as a grad class. You have tremendous potential, so study hard, set goals for yourself and enjoy your final year. Your first event this year, the Mariner Game, is planned for Friday, September 28th. Once a Mariner, always a Mariner!

Tuesday, September 11	Block C - Grade 11 Block D - Grade 12

### STUDENT TIMETABLES

All returning students will be able to see their 2018/2019 timetable on the MyEd BC portal after August 21st. Once in the portal, click on the top tab>Family > left side tab> Schedule. When the schedule appears, click in the "schedule" heading and then the "term" heading to view your schedule in the correct block order.

New incoming students will have their timetables mailed to their home address in late August.

All students will receive a NEW schedule in homeroom on September 4, 2018.

\*Please be aware that timetable changes based on teacher, semester or a change of mind will not be considered. Changes will only be considered if students have fewer than 8 classes or are scheduled into the wrong grade. If you have less than 8 courses, your counsellor will contact you for an appointment.

## OPENING DAY!

On September 4, grade 8-12 students will report to their homeroom teacher (Block C teacher) at 10:30 am who will assist with questions, concerns and planning for the rest of the week. Please ensure your child brings a pen or pencil for completing any forms that may be required. Students who do not register with their Home-room teacher on the first day of school are often assumed not to be returning to EMS. As we have waiting lists for certain electives, your child's absence may result in their space in a course being reissued to another student.

### 2018-19 LOCKER DISTRIBUTION

Students will self-select their lockers online in late August using our automated system here:

<http://ems.lockerassignment.com>. Check our web site for more details regarding activation dates.

Logging on to the system:

Username: Your Student ID

Password: Your birthdate in this format: MMDDYYYY

## SCHOOL FEE COLLECTION

This year, we will be collecting our student fees using the school district's secure online fee payment system. We encourage families to log on to our system early.

Please find a current school fee schedule on page 9 of this newsletter. We would appreciate your attention to this responsibility as soon as possible.

## STUDENT DEBTS

Students will be assessed a cost for lost or damaged school property (books, lockers, sport jerseys, etc.) Charges are based on the replacement cost of the item. Students must return the same textbook to receive credit, so avoid lending textbooks and label your text with your full name and student number.

## SCHOOL BUSES

Please note, there will be no school buses on the first day of school. Bussing will start on September 5<sup>th</sup>. Any students eligible to ride the school bus must fill out an application form **annually**. Applications will be available at the office or online. Students should take the form home for parent/guardian signature and then drop off completed forms at the main office. Student Bus Passes will be distributed mid-October.

## ABSENCES AND LATES

Students are expected to be at school and in class on time. It is the student's responsibility to be punctual for all classes.

- ABSENT *or* LATE - Parents are asked to phone the school in the morning.
- SIGN-IN - Students are required to sign-in at the office, if they have a note from parents or if parents have phoned in.
- SIGN-OUT - Students are required to report to the office with a note or have a parent phone in if they leave the building for appointments, etc. **Students are not to leave the school premises during their assigned class time without first notifying the office. To do so is truancy.**

## **VACATIONS DURING SCHOOL TIME**

Students away on extended vacations (4 or more days) during school time must complete an extended absence form, available in the office, before departure. The school is not in a position to grant permission to any students to miss school for an extended holiday period, and it is important to be aware of the possible effects on achievement. Further, it is not required that teachers provide work for students on vacation.

## **IMPORTANT NOTICE RE: MEDICAL ALERTS**

A Medical Alert condition is defined as a physician diagnosed, potentially life threatening condition such as:

Diabetes

Epilepsy

Severe asthma

Serious Heart Conditions

Blood clotting disorders

Anaphylaxis (history of severe allergic response)

Parents are responsible to complete the Medical Alert Form. Parents should update all information each September. In emergency situations, a parent/guardian (or the emergency contact) shall be contacted and the student taken to a hospital/medical clinic. See attachment at end of newsletter.

## **STUDENT PARKING**

As there is limited student parking at EMS, student parking is only available to grade 12 students and is on a first-come first-served basis in the designated student rows only. Students parking in Visitor or Staff Stalls (including near or around the portables) or parked illegally (including in the laneway behind the gym), may result in the student's car being towed at the owners' expense. Parking at school is a privilege. Unsafe driving practices will result in this privilege being revoked.

## **PARENT PARKING**

Please be sure to park in the marked Visitor spaces only when you visit the school and then report to the office.

## Parent/Student Notice LOCKERS – CONDITIONS OF USE

### RULES REGARDING STUDENT LOCKERS: CONDITIONS OF USE

Lockers are assigned to students for use during the school year on the following conditions:

1. Students are responsible for the locker which is assigned to them and it is not to be used by any other person.
2. Only approved locks may be used on student lockers and the combination of the lock must be registered at the office.
3. The locker may only be used for the storage of books, school supplies and equipment, outerwear, school sports equipment and lunches.
4. No other material is permitted except with the written authority of the principal or vice principal.
5. The locker is to be kept clean and food removed on a regular basis.
6. Students are responsible for cleaning and removing all material from their locker at the end of the year or when they leave the school.
7. No illegal substances, weapons or other prohibited or offensive material may be placed in school lockers.
8. School officials and/or designates may search student lockers at any time and without prior notice in order to ensure compliance with the conditions of use and other school policies and rules. Searches by school officials may include the use of dog units to detect the presence of narcotics or other prohibited materials.
9. Permission to use the locker may be terminated when a student does not comply with the conditions of use or school policies or rules.
10. It is the responsibility of all members of the school community to keep our schools safe. If any student has reason to believe that any locker contains anything which would threaten the safety of other students, staff or any other person, that student is expected to immediately report the information to a teacher or administrator. The name of the student making such a report will be kept confidential.

## Student Accident Insurance

### Did you know . . .

*Surrey School District does not insure expenses for student injuries that happen on school grounds or during school activities?*

*You are responsible for these expenses as a parent or guardian.*

Parents who would like to purchase accident insurance for their child are advised to choose an insurance provider. Several companies offer accident insurance and you must decide which plan suits your family's individual needs the best.

The Surrey School District and your District Parent Advisory Council provides the opportunity for families to voluntarily purchase private accident insurance through the Kids Plus™ accident insurance program.

Kids Plus™ Accident Insurance offers protection against the potentially high costs of serious injury from unexpected accidents and is especially valuable for families who:

- do not have medical or dental plans,
- have limited plans, as it may help supplement health and dental benefits, or
- have active children who enjoy sports and outdoor activities.

### Accidents can, and do, happen

Kids Plus™ Accident Insurance has a selection of plans to suit most budgets. Benefits include coverage for:

- A full year (September to September), 24 hours a day, whether at school or at home;
- Expenses such as ambulance, physiotherapy, private tutoring, counselling, and much more that are limited or not covered by private or group insurance plans, or MSP;
- Injury-related dental treatment, eyeglasses;
- Out-of-province or country emergency medical expenses.

If you change address during the school year, your Kids Plus™ Accident Insurance plan is transferable from school to school, anywhere in Canada.

Insurance premiums range from \$14.50 to \$33.50 per year, depending on the plan selected, and your child is covered all the time, not just while at school. A discounted premium is available for families with three or more children.

The insurance agreement will be between you and Industrial Alliance Insurance and Financial Services Inc. and your Kids Plus™ Accident Insurance Policy becomes effective on the date the enrolment application and payment are received by the insurance carrier.

*For more information or to apply online, please visit [www.kidsplus.ca](http://www.kidsplus.ca), or speak with an Kids Plus™ Customer Service Representative at 1-800-556-7411.*

Dear Parent/Guardian,

An important part of our class work often involves using Internet-based tools to create and share learning and to continue building a lifelong digital portfolio. Many tools may require your child to create a personal account, using his/her School District provisioned email account (lastname.firstinitial@surreyschools.ca). Please note that your child may be asked to use Internet-based tools for both classroom activities and homework assignments. Students will continue to hold accounts even after our coursework is completed.

Your written consent to your child's use of Internet-based tools is required by British Columbia's *Freedom of Information and Protection of Privacy Act (FIPPA)*.

If you choose not to provide your consent to your child's use of Internet-based tools, your child will not be penalized in any way and alternate activities will be provided, as appropriate.

It is important to be aware that the majority of the Internet-based tools noted below are online services hosted outside of British Columbia and possibly Canada. While stored outside the country, information in your child's accounts may be subject to the laws of foreign jurisdictions, including, in the United States, the USA Patriot Act.

As a general safe practice, when interacting with any online service, students should take care and avoid posting personal information or personal location that could be used to identify themselves or other persons.

Kindly return a copy of this letter to the office, signed and dated, before the end of September.

**Consent: I understand that the information my child may create and store could be stored in or accessed from a location outside of Canada, and I hereby consent, on behalf of me and my child, to my child's information identified above being stored in, or accessed from, a location outside of Canada.**

**This permission to use the tools indicated above is granted for the duration of my child's time in the Surrey School District.**
