PRINCIPAL'S MESSAGE

I can hardly believe that we are soon heading into the final month of this school year. Once again, I am so proud of the students of Earl Marriott and the dedication they show to their studies and to their school community. As a staff, we have already begun to plan for next year's events. **Attached to this newsletter is the bell schedule for 2018/19 and our fee schedule.** The year-long calendar will be available in June, so that families can plan for non-instructional days and holidays.

Please take note of the calendar for the end of June 2018. **Students in all grades will be in full session until Friday, June 22nd. The week of June 25th-28th is for Completion Days and Provincial Assessments. All students in Grade 11 who have not already written the Numeracy Assessment will be scheduled to write in this week. Teachers will be offering additional support to students from Monday – June 25th – Wednesday June 27th.** Those students who had exam conflicts or who need to come in to complete assignments will attend scheduled appointments with subject teachers on those days. **Students writing the English 12 Provincial exams will be writing on Monday June 25th. FRAL 12 students will be writing their exam on Tuesday, June 26th. The Communications 12 exam is scheduled for Wednesday June 27th.**

One of our biggest school wide highlights this month was the **PAC BBQ on May 11th**. The EMS parents did an outstanding job in holding the event and transforming the school and the parking lot into a school wide party. I was amazed at their ability to feed 2000 people without any issues. Thank you to all the volunteers, our Dukes who braved the Dunk Tank and the students for coming out and enjoying the afternoon. **Other highlight events in May,**

Upcoming in

June

- 4 Library books due
- 6 Scholarship Recipient Tea
- 13 Athletic Awards
- 20 Yearbook Distribution
- 22 Last day of regular classes
- 23 Grad Banquet/Family Celebration & Dry Grad
- 27 Academic Awards

many of which are still to come, include Commencement, the Duke of Earl (congratulations Will!), the Junior Prom and the many sports tournaments and competitions that our Mariner students attend.

June will also be the final month of high school for many of our students, as they head off to new challenges after Graduation. The graduates of 2018 have been a wonderful group and will be greatly missed by the staff and students of Earl Marriott. We would like to take an opportunity to thank all of the parents and families who will also be leaving our school community as their children graduate. The parents of Dry Grad 2018 had a great fundraising day on May 12th with their Plant sale, and are positive that this year's Dry Grad will be an exceptionally fun event. I know that all of the Graduate parents are grateful for all of the hard work from this exceptional group. **We truly enjoyed celebrating your achievements at Commencement on May 23rd, and we wish all of the students a safe and fun evening at the Dinner/Dance on June 23rd. Once a Mariner, always a Mariner!**

Our PAC had their final meeting of the year on Monday, May 28th. This hard-working group of parents are very supportive of activities and events in the school, and have provided wisdom and experience to me in my first year as Principal of EMS. I would like to thank our PAC Chair, Ms. Stacey MacDonald, for her work on behalf of the parents of the school, and to all the executive for all of their support throughout the year. This year, the EMS PAC sponsored several guest presentations, which were well received by all attendees. One of the highlights was the visit in February by The White Hatter, who spoke to student and parent audiences on Social media issues. Our PAC has already begun to plan for next year, looking at presentations and activities that may interest both parents and students. The EMS PAC is welcoming any new participants for September. PAC meetings are an excellent way to become connected with initiatives and programs in our school.

Please take note of all of the dates and times for events in the June calendar in this newsletter. Next month, we will be sending out information for summer office hours and school start up dates along with a new planning calendar for 2018/2019.

Haida Gwaii

8 Days in May - Haida Gwaii

May 1st, 2018 was another milestone for our First Nation Program. For the second year, 18 of our First Nation Program students along with staff and Semiahmoo First Nation travelled to Haida Gwaii. In short, it was magical. The trip included a wide variety of activities such as kayaking, whale watching from shore and a remarkable 13 hour Zodiac excursion down the Hecate Strait to Gwaii Haanas. We visited K'uuna, Windy Bay and Hot Springs Cove. In other activities we fished, kayaked - dug for razor clams, beach combed, and the 30 + km hike to the birthplace of Haida Civilization, Rose Spit. As well, we found time to visit some of the Island's renowned artists and met with teachers, administrators and the District Principal for Aboriginal Education, Joanne Yovanovich. Shout out to our staff, Dawne Kalenuik, Rachel Hare, Jennifer Koehler and Sara Amyotte for supporting our students on this tremendous trip.
