From the community there was a request to hold a referendum of the possibility of having a school dress code.

- Guest Mrs. Rao was present to look at the district of dress code and the possibility of having a uniform. Discussion following the idea took place
- There would need to be a series of information evenings to have consultation on having dress code. The hope would be that this would be a way to establish a sense of community, a sense of pride
- Goal would be to have several evening presentations
- Mrs. Rao offered to help craft the notices – discussion followed about the possibilities
- Discussion followed about the importance of building the PAC community and educating the parent community and engaging parent participation.
